January 27, 2018

Dear Pastor and Church,

Greetings from our Savior Jess Christ... God has been good to us in the past year, though many trials and challenges still we stand for the truth to preach the Word 2 Timothy 4:2.

and as a Pastor i am looking forward for this 2018 that God will continue to save souls and to improve or worship place we already done the tiled flooring and what we are looking to be done right now is the church ceilings we struggled many times in our services really hot the heat coming directly inside so please do continue to pray and help us to make this things possible it worth \$3,000 and to finish as well the baptistery we had candidate for water baptism and i just want to do it inside the church...a lot of things that needs to be done here but i believed it took many prayers to make it all done... thank you so much and God bless us all..

Sweetwater Baptist church,  
Bro Mike. Psalms 37:4
