June 26, 2018

Dear Pastor and Church,

Greetings in the name of the Lord Jesus Christ!

We would like to share the good news and success from our last Vacation Bible School and Youth Rally that was held last month of May 2018.

Five souls of the parents and ten teenagers just got saved on VBS graduation day and another 20 souls of teenagers were saved on our Youth Rally.

As our partners in the ministry, this is our prayer above all. That we may continue to do service and gain more souls for the glory of God and Christ Jesus in the future. We truly appreciate your prayers for us and the financial support which really helps us keep moving.

To have a very good health and outpouring blessings to your family are our untiring prayers for you.

Pray for us always.

In Christ,

Jerry E. de Guzman
