

Dear Church and Pastor,

I am Brother Igmedio Porton Jr. one of the Local Missionary of HeartBEAT International Mission here in the Province of Zambales Philippines. My sending Church is Cornerstone Fundamental Baptist Church of Bataan Philippines. I got saved when I was 17 yrs. Old and after I graduated in high school I followed my calling to the Lord and enrolled to Bible School (Heartbeat Baptist Bible College) it's been a challenged and changing years of my life when I was in the Bible School from 2011-2015. I've learned a lot of things in this life specially the Word of God and the needs of people about salvation. And starting the day that God's plan put it in my heart theirs no turning back.

After I graduated in Bible School on the year of 2015 God called me into the full time ministry where I started newly mission in Bataan I start soul winning, teaching children, bible studies and assemblies for almost 2 years and God blessed the ministry in Bataan. People got saved and surrendering their lives to the Lord, and now we have 2 faithful man of God who's studying in the Bible School from the mission in Orion ,Bataan and they are now handling and taking over the Ministry in Orion ,Bataan .

Now after 2 years in my first mission on year of 2017 God called me into the Big Province of Zambales to start another work of God, April 28, 2017 when I started the work there. I started soul winning, children ministry, bible studies and God really saving people for almost 2 months and half we planned to start our First Sunday Service that was June 18, 2017 and on the third quarter of 2017, we conduct our first Daily Vacation Bible School had an attendance of 70 children and on the last quarter of 2017 we got Baptized 10 individuals and also we conduct of first Thanksgiving Program. The last part of 2017 we start to pray for a Church Lot.

At the beginning of the year of 2018 God truly blessed the Ministry in Cornerstone Fundamental Baptist Church, more souls got saved every week and God added more people in the church. On the first quarter of the year God gave us a Lot for our Church building and we are looking forward to build it. On the second quarter of the year 2018 another 14 individuals followed on Water Baptism and we celebrated our First Mission Anniversary last June had an attendance of 110 individuals with 30 first time visitors and they are all got saved.

For almost one year and half of the work in Cornerstone Fundamental Baptist Church Zambales, We experienced God's amazing grace though we had a lot of trials, persecution and needs. God always blessed his people and we are praying a faithful and great man and woman of God to be use in His Ministry.

I, Brother Igmedio Porton Jr. wrote this letter to be a blessing to everyone. I am looking for some partners in our ministry in Prayers and Support. And some help to build the House of God through our Ministry here in Cornerstone Fundamental Baptist Church Zambales Philippines. If someone could help and want to be a part of the Ministry of Cornerstone Fundamental Baptist Church Zambales you can share with us and if you are able to send support in a monthly basis or you want to help, to build the building you can send it to HeartBEAT International Mission. We will be thankful and grateful to those who pray and support our Ministry .May God Richly blessed all of you.
