10<sup>th</sup> June 2019

Dear Pastor and Church,

Greetings in Christ's most precious name!

I thank God for all the blessings He gave us, the prayers that He answered, the needs He provided us, and the strength to recover from illnesses.

Last April, the church was blessed with a young lady who followed Christ through baptism. She was the visitor who was invited by her friend last February. She finally decided to be baptized after her graduation. We are praying for her to grow spiritually and continue serving the Lord in His ministry here in Orani. We are also praying for a young boy who has been attending the church for weeks now to continue going and to be baptized in the future.

Praise God for also blessing our family. I am truly grateful to God for giving my wife, Odette, an improvement regarding her condition. She has been eating well lately and no longer feeling weak. She's on her fourth month of medication and her health is gradually being stable. For the remaining two months, I am praying that God give her strength and completely heal her. On the other hand, my second daughter has finally finished her course this semester and joined the graduation ceremony on the 7<sup>th</sup> of this month. I thank God for all His blessing throughout her journey and for all the people he used to help her finish her studies. I am praying that whatever opportunity she gets, she continue serving the Lord and be a blessing to others as well.

Next month the church will be celebrating our sixth year anniversary. We are praying that we reach our goal and conduct it successfully. We are using this as an opportunity to invite first time visitors, to share the Word of God to them. May God's name be glorified in this event.

Thank you, our fellow brethren, for your support. To God be all the glory!

Because of Christ,
