**Dear Pastor and Church,**

Greetings in Christ's most precious name!

I thank God for all His kindness to my family and to the ministry. Also, I thank Him for providing for our every day needs and for being the Great Healer of the sickness some of us experienced.

My family and I are grateful to each and every one of you who helped us pray for my wife, Odette's recovery. She finally completed 6 months of curing her tuberculosis. Praise the Lord! Thank you for assisting us financially throughout the process. Your share helped us a lot in taking care of her. My wife is now back on teaching the young adult ladies of our church. Amen!

The young people in our church had just started conducting a youth fellowship in the church every last Sunday of the month to encourage young members to continue and participate in God's ministry. They held a youth fellowship last Sunday, September 29, with the youth of Beulah Land Baptist Church as visitors. The sister of our member was also there attending the Sunday worship service for the first time and joining the fellowship.

The church is still praying for the ceiling of our worship area to be completed. As of the moment, the ceiling above the altar is almost done. Thanks to all the members who gave their part for this project. May God provide us the resources we need throughout the construction.

Thank you also, fellow brothers and sisters in Christ, for allowing God to use your lives to support us in doing His work. Your prayers and financial aid are helping us continue in the ministry. Our church here in Orani is also including you in our prayers.

To God be the glory!

Because of Christ,

**Jovito P. Pastoral**
