## My Salvation and My Calling

My name is Bro. Dennis Domingo, 50 years old, born and raised in the Philippines. I got saved and accepted the Lord Jesus Christ as my personal Lord and Savior at the aged of 21. I have four children: 2 boys and 2 girls. And God gave me a beautiful wife named Resurreccion Domingo. She is a teacher in our province, and the Sunday school principal in our church.

Daily Vacation Bible School (DVBS) is our main ministry in the Philippines. Praise be to God when He used Pastor Ramil to entrust us with this ministry. Since he gave this opportunity, our whole family supported the DVBS all the way. We are very hands-on with its planning, budgeting, brainstorming and by the grace of God, we established a lot of children centers and shared the gospel to more than 3000 children. And now, we are praying and hoping for our goal in the year 2020. That is to put 10 children centers in each town of Bataan, Zambales and Pampanga. That is 20% increased on the last goal that we achieved last year. But for us, we need to do more. There are more children, parents, individuals that hasn't heard the gospel. That's the reason why we are doing our best to follow God's will in our life. One of the main needs in DVBS is printing the materials needed, such as teaching manual, learners activity and art works.

With this regard, we are praying for churches and individuals that would want to be our partners and co-laborers in our ministry in the Philippines. And I hope that you will one of them.

I am very thankful to God that in the year 2005, Pastor Ramil Q. Ofrecio came to our life. He is my mentor and leads me in serving the Lord through different ministries in our church. For the past years, I have been an assistant of Pastor Randy Santos in Dinalupihan, and helped Pastor Igmedio M. Porton in his ministry in Subic, Zambales. I am also a preacher in our CFBC Campus Ministries in the Philippines.

And now we are going to start our own mission work in the town of Castillejos, province of Zambales that has 14 barangays and has a population of 65,000 people. We are needing a lot of prayers, laborers and your support to establish the future CFBC Castillejos. We are praying for 20 churches or 20 individuals that will help and support us for \$25 monthly. This will help us a lot of everything that we need in the ministry in Castillejos Zambales.
