Dear Pastors, Church Families, Friends and Partners in the Ministry,

*And I thank Christ Jesus our Lord, who hath enable me, for that he counted me faithful, putting me in to the ministry.
I Timothy 1:12*

First of all, I want to give all the Glory and Praise to Our Loving Almighty God who guide, provide and bless us while we where in the ministry here in the Philippines.

Its been a while since we did our reports and I apologize for that due to my work. I travelled a lot in weekdays and driving nine hours per day. I was able to visit always the mission work that we've been praying for in the province of Bicol. It was a blessing to visit and to see the need of the Gospel in that place. I was able to familiarize the place, the culture and the society. It made us so excited but still we are waiting for God's perfect timing for us to start in the place that we are praying for.

While we are waiting for it, we are able to help in my father's church here in Tarlac, through disciple ship, children ministry and Preaching the Word of God. I was also invited to several churches to preach and be a channel of blessing in their services. Through these things, it helps me and my family to be more ready and equip for our next ministry

Every time we have Prayer Meeting we are praying for all the Pastors, Friend and Church families the has been our supporter and prayer partner all through out.

I would like to thank you all for reconsidering us again since we got to our new mission board in Heartbeat Int'l Mission, We've been utilize our support through helping Local Pastor by supporting them and other church needs. Right now, while we are helping in my Father's church, I was move to help them to buy more chairs and help him to build a Prophet chamber for him. His been serving that church for 14years. They finished the church building and Sunday school classrooms with the help of the members of the church and now, we are praying for a Prophet chamber for the pastor which is my father.

This is the temporary house of my father and this serves as the Prophet Chamber. Currently, we and members of the church are praying to raise funds to finance the renovation of the Prophet Chamber to make it more decent and appropriate to a servant of God.

These are some of my fellow workers in the company that I am currently working with. I always bring and invite them to the church every Sunday. Also, we have regular early devotion in our office before we start the day of work and I often lead the sharing of the Word of God. All Glory to God!

These are random photos in the church where my father work. We are alternately preached in every services and help each other in all aspects of the ministry.
