

Dear Pastor, Church Families and Partners in the Ministry,

And I thank Christ Jesus our Lord, who hath enable me for that counted me faithful, putting me into the ministry.

I Timothy 1:12

Greetings in the precious name of Our Savior Lord Jesus Christ and from the mission field of Philippines

First of all, we thank God for using us here in the mission field in the Philippines , we are currently helping my father's church. We preach alternately during Sunday Worship Service and am in-charge in teaching the Young People for their Sunday School lesson. My wife Desiree is handling and teaching the kids.

I am still praying that I can go back to the United states to do my deputation and raise support to start a new ministry which we are praying, But until now we are waiting for the right time and for the will of God for us. While we are waiting we are serving the Lord in every way that we could.

This year and specially this month was a very hard time for our country since the Corona Virus spread all over the world. We all know that many were affected and they highly discourage any gathering of people including our services every Sunday to avoid contact to prevent the virus on spreading. But it didn't stop us to share the word of God. We do live streaming Preaching and teaching via Facebook Live and in this way we can Worship and Glorify God .

And as you know, since I lost lot of support,I start working in a filtration company as a driver. But its sad to say that since the corona virus came out, our company stop operation for a week now. Our place is in total lock down. People are strictly not allowed to go outside their house unless for a valid reason like buying food and other necessities but one person per family only can go outside to do so. The hardest thing is since we don't have work, we also don't have our salary because of the “No WORK NO PAY” rule.

Pastors and friends who are led and touch by the Holy Spirit ,in this regard, we are humbly asking from you if we can ask for a extra financial help for our family and some members of the Church that can't afford to buy their food and other necessary stuffs. We are truly grateful in any help especially your prayers.

You can send it through
