

Dear partners in God's missions,

Greetings in Christ's most precious name! In this pandemic we know, we all tested, maybe almost all aspect of life are being affected but I know the love of God surpasses all of these testings. Just like your love and sacrifices for missions are still there, encouraging us to go on and keep on doing the work of the Lord and most especially to win souls for Christ. God's faithfulness and His love are still available for everyone, in times like this we need to appreciate God's presence He is omnipresent praise God.

Brethren in the Lord, we appreciate doubly your financial support, you are continuously giving and sharing your love to us, thank you very, very much. I also would like you know that we continuously doing God's ministries and to win souls eventhough we observe a lot of protocols and precautionary measures, we still prioritize God's ministries deary. So, please brethren always include us in your prayers. We assure you, you will never be missed in our prayers, we love you in the Lord and please continue to partner with us.

Your missionary to the Philippines,

Bro. Benson Olipas and family
