**Dear Pastor/Friends,**

Greetings to our Lord and savior Jesus Christ and to my fellow pastors, brothers and sisters in the Lord I would like to express my gratitude and acknowledgement for all of your support and love in our ministry here in the area of Dinalupihan, Bataan, Philippines.

This pandemic really affect us all worldwide but we as christians has our powerful God that always protecting and guiding us so that we do as best as we can to fight this pandemic and continue spreading the word of God. Now this year we make many programs and solution on how can we spread the word of God through our people in the mid's of this pandemic because some of our members were still afraid to go to church, so that we gather some of our members who is willing to serve and spread the word of God so that they undergo "Biblical Mentoring" now there are new developing children centers and weekly basis bible study areas in our ministry in despite of this covid virus we are trying to reach every people to hear the Gift of God with the help of our workers that willing to risk for to be able to spread and teach people. Many activities and fellowship were still ongoing and just last february 28 this year we celebrated our "Church 3<sup>rd</sup> Anniversary" by the grace of God 11 souls got baptize and also this april 23 we made a "Great young people fellowship" that has been very successful and encourages many youth. Now we are looking forward that this pandemic will heal and I hope and pray that we can reach more people to the lord and have more fellowship to them and be able to encourage them.

Meanwhile even though this pandemic occurs and we were all affected by it I would like to consider that we all appreciate and thankful to your continous adherence, fidelity and giving a big love to our ministry we are very greatfull to all of you and we will continously approach and reach out to address further news or progression of our ministry.

Through this pandemic God is calling us to reach him more because he is the only one who can help us. To our fellow bredren I know that we were also in time of challenges and needs but we are calling to you my fellow bredren for all your help and support for our growing ministry and now because most of our young people were now committed their lives to the Lord and went full-time in ministry and living now in the church I Am now calling for help for to be able to support them in the ministry because due to this pandemic some of our supporters can no longer be able to support us and if you have some friend who wants to help our ministry will you kindly refer and introduce us to them It will be a great help to us I know that God is there to sustain all our needs but we are hoping for your prayers, support, help and continous partnership for our ministry, for our people and most of all for our lord Jesus Chris

Thank you and we are also praying for all of you ....God Bless Us All...

Sincerly and your brother in Christ,
