

# YOUR MISSIONARIES TO THE PHILIPPINES

Souls getting saved through the church ministries

Development of the church cemetery

Construction of the Cemetery Chapel

Sunday Church Service and Youth Fellowship done in-person and online

## OLIPAS FAMILY

Dear *Heartbeat International Missions*,

GREETINGS IN CHRIST'S MOST PRECIOUS NAME!

I always praise the Lord for your life. I sincerely appreciate your financial support for the advancement of the ministry of the Lord here in Badoc, Ilocos Norte, Philippines. I am deeply honored with your love, sacrifices and compassion for the salvation of souls through your heart for the missions. With your partnership with us, many souls are getting saved and many are still being reached through soulwinning, bible studies and other ministries.

Brethren in the Lord, I pray to the Lord that our partnership will continue here in the Philippines. At present, we are experiencing a global pandemic and a lot has changed. Because of this, we are really in need of your financial support. We acknowledge your prayers and financial support as extensions of your love for us and we count it as a great blessing and a great help for the ministry. So, please extend your patience in partnering with us. You are always in our prayers and we will always remember your big heart for the work of the Lord. You may count the ministry here in the Philippines as your own ministry because you have always been our faithful partners.

Our heart desires that one day the Lord will pave a way for you to come and visit the fruit of your investment here in the Philippines. As a great instrument of the Lord, you have done so much for the ministry. We are deeply honored and blessed for our partnership.

You are always in our prayers brethren in the Lord. We are forever grateful.

Your missionary,

Benson M. Olipas
