

The Antonio Family

MISSIONARY TO OCCIDENTAL MINDORO, PHILIPPINES

Dear Pastor Jim Johnson and Church,

Greetings in the most Precious name of our Lord and Saviour Jesus Christ!

Thank you for your continues prayer for us and the ministry. It's been more than ten months for me and my family to be away from the church. Although our hearts desire is for us to be in the ministry in the province but because of our same situation due to pandemic, lockdown after lockdown and also our government policy and procedure to travel are still very strict especially to the minors.

We are praying for a reliable vehicle for us to use to go back to the province because minor children are still prohibited to travel using a public transportation especially going back to the island where our church located and where the Lord called us to serve.

By the grace of our God the ministry that the Lord entrusted us is still going and people are faithfully joining our every worship services, Prayer meeting and Bible studies even only thru conference call.

Our prayer is to be with the members to celebrate our 3rd year mission anniversary and we supposedly celebrate it every third Sunday of October but unfortunately the Lord did not allow us to do it this year. Please continue to pray for us for impossible prayer LUKE 1:37. Also, that the Lord will allow us to go back this coming December.

Thank you very much and God bless us all.

In Christ Jesus,
