YOUR MISSIONARIES TO CAMBODIA

GRACE BAPTIST CHURCH MINISTRIES

December 2021

Dear Partners in the Ministry,

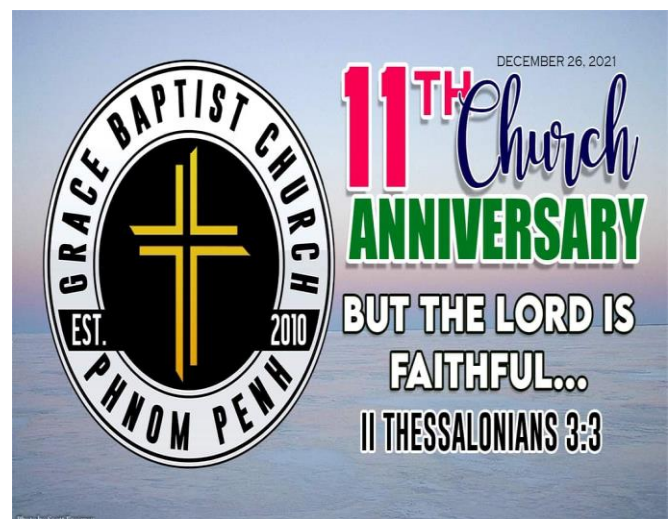

Greetings from the Landingin Family, we hope, and we pray that you are all doing well by the grace of God.

As you receive this letter, please allow us to express our gratitude to you all for your kindness and generosity, especially, for sending and giving us extra Christmas blessing this month.

As we approach this Christmas season and the upcoming New Year few days from now, we would like to grab this opportunity to thank you all for always remembering us in your prayers and for continues financial support for the ministry that the Lord entrusted to us in Southeast Asia.

This coming December 26th, our church, Grace Baptist Church will celebrate its 11th year Anniversary.

We want you to know that we will not make it this far in the mission field serving the Lord and reaching souls for Christ, without your partnership with us in the ministry. Thank you for being dedicated and committed to the Lord through your mission giving. Sometimes we do not understand the plan and the purpose of God in every situation in our lives but whatever the Lord allowed us to accomplish in Cambodia and to our extended ministry in the Philippines, I believe we served our purpose well.

We are happy to know that last November 1, the Prime Minister of Cambodia announced the re-opening of the country and last November 11, the Ministry of Religion announced the re-opening of the churches and any kinds of gatherings.

Last week, our son Rafael received his new passport, and our youngest son Gabriel has an appointment this week for his passport application.

Thank you for your consideration and your patience with us. We are looking forward to return to Cambodia and to be with our church people again after completing all our legal documents. We are excited and we are encouraged to continue and to execute the new plans and desires in our hearts that we want to accomplish for this coming year in the mission field.

We just hope and pray that nothing will change regarding the restrictions with the new variant of covid.

Please continue to remember us in prayers and good health for our family. Regardless of what happen during the global pandemic, we will keep on moving forward serving the Lord. Again, thank you for everything and thank you for your faithfulness in the Lord.
