

# NEW HOPE BAPTIST CHURCH

Sipa, Sta. Marcela, Apayao

Dear Pastor,

Greetings in Christ most precious name, the Author and Finisher of our Faith.

In behalf of the New Hope Baptist Mission here in Sta. Marcela, Apayao, we would like to express our gratitude to you and your ministry. We're so thankful because we are one of the beneficiary of the program of your ministry. With the fund that you gave to us, we were able to build a church building and a parsonage. In June 2021, we were able to use the new church and we were able to conduct our first service in our new site.

Allow me to present to you our accomplishment and progress report in our church.

During the construction of the church at Barangay Sipa,Sta. Marcela, Apayao

We started our first service in our new site last June 2021. We invited Ptr. Briones as our speaker

During our Sunday service. The parsonage is being used as Sunday school for children during Sunday service.

A tricycle is being used as service vehicle to haul members coming from far barangays during Sunday.

We hosted Pastors & Workers Prayer Fellowship last February 2022 which was attended by pastors and workers from Apayao and Cagayan Province.

Church youth members attended 3-day Summer Youth Camp 2022 last April during the Holy Week.

Our Prayer requests:

- Spiritual growth of Church members and more souls to save
- Good Health
- Financial Needs
- Church Vehicle

Thank you very much for your unending support and we hope for our continuous collaboration in serving God.

Very Truly yours,
