Pastor Randy Santos
CFBC- Dinalupihan Pastor

Dear Pastor/Friends,

First of all I would like to glorify the name of our lord and savior Jesus Christ,for his everlasting grace, mercy and love towards us.

Greetings to my fellow pastors,brothers and sisters in the Lord I would like to express my great gratitude for all of your support and love in our ministry here in the area of Dinalupihan,Bataan,Philippines and we also want to address that we are doing our best to reach our fellow brethren to the lord in behalf of this pandemic and I know that we all facing tough times this past years but I know and we all know that truly God is good as we always see his mighty hands working in our lives and keeping us safe and blessed.

The start of this year is a blessing because we surviving the pandemic that we face throughout years and now it has starting to vanish and adapted by people and this certain us that our God is truly alive and powerful because he never fails,neglect and leave us throughout this journey.

We pursue and manage to preach and spread the word of God to his people in the mid's of this Pandemic because we know through prayers and faith unto God we can defeat this illnesses made by enemy to harm us but we continuously striving by preaching his words in every Sunday services,Bible studies,Children centers and also by tracks distribution, soul winning and mission outreach in Porac,pampangga, Sumalo,Hermosa and Samal,Bataan and we also encouraging ourpeople to minister our love ones and family circle first through this we see that God continuously saving people and changing many lives in our ministries.

Now we are looking forward and hoping for your continues prayer and support for our upcoming Activities this 2022 such as:

- Church anniversary/family day-out and Baptism that will held this last week of April.
- CFBC Youth Camp that will held this 11-14th day of July.
- Daily vacation Bible School (DVBS) this 4-6th of day August.
- Evangelistic Crusade this 29-30th day of September.
- Evangelistic Crusade at our Mission outreach Porac,Pampangga this 3-4th day of October.

We are asking and praying for some sponsors for all of this activities specially for this coming "Youth Camp" , Many of our young people are willing to participate but due to lack of financial capability some of them will not be able to come that is why we are eager for your help and support because this is a great opportunity for our young people to change and surrender their life and follow God's call in full time ministry.

And now we are supporting a family with 2 children and also 2 bible school student living with us and also some young people that volunteering themselves to be use in the ministry.

I would like to consider that we all appreciate and thankful to your continues adherence, fidelity and giving a big love to our ministry we are very grateful to all of you and we will continuously approach and reach out to address further news or progression of our ministry.

Through this pandemic God is calling us to reach him more and reach our fellow brethren and I know that we were also in time of challenges and needs but we are hoping that you continuously having partnership
