April 20, 2022,

**Dear Prayer Partners,**

Very warm Christian greetings in Jesus Name who we serve through the Gospel.

Our church celebrated its 14<sup>th</sup> church anniversary last January 23<sup>rd</sup> and I turned to be 70 years of age spending 41 years in the ministry (1979 to present). I've asked God for His perfect will and I had peace with my decision to give the pastorate to my son, Pastor Gaius Santiago, so he can be trained pastoring the main church while I am still alive to supervise his management. He started taking over the church last February so I resigned as the pastor and now I am a full time missionary. I am visiting and assisting our missions and outreaches while waiting for God's leading for another mission work to be started.

Because of financial crisis in our church, few years ago we decided to stop sending missionaries in the meantime but the Lord is leading us to start more mission work and send missionaries almost every year continuously despite lacking of support to give to the missionary pastor. My son, who is now the pastor is facing a financial crisis, so i am begging you to pray for him, he has a small support yet the work that he is handling is huge and takes a lot of work. Please do consider him in your church to become your partner in the ministry. You may transfer my support to him if God is leading you.

We thank God because He provides from time to time. We sent another missionary, one of our preachers in the church last February to go to San Fernando City, La Union.

Here are some updates of our partnerships:
