Dear Pastor and Prayer Partners,

All glory, praise and honour to our God!

I thank the Lord for His sustaining grace, His work here at Naguilian, La Union, Philippines is moving and growing. The church are able to open up outreaches within nearby villages. It is our prayer that God will expand our horizon in these specific areas.

The Bible school in our church is continuing, we feed, fetch and drive them home during night classes because transportation at night is expensive and not safe. The Lord open up another ministry for me as a life coach for teaching values to the village officials and some policemen. I was allowed to teach from the Word of God so I grabbed this opportunity given by me by the government. They do not give me any cents for this but I do it for the Lord.

The church financial is really down these past months because of the deaths of some givers in our church. So the church can hardly give my allowance because we have many missionaries and they need support also.

Please pray for me and my family that we will continue serving the Lord. I know for sure that Jesus is coming soon and I wanted to be ready for His coming.

We thank you so much for partnering with us in the Philippines. We know that your labor is not in vain. We love you in the Lord!
