**Dear Pastor Jim Johnson and Praying Brethren:**

Greetings in the precious name of our Lord Jesus Christ. We trust that you are well, and that the Lord is richly blessing your work of love for Him. Hello Pastor Jim, We are humbled yet elated to received a regular Financial Assistance from your church. February of this year 2022 we initiated **Bible for Iyapayao Project**. By the grace of God, we are doing our responsibility to win souls for Christ and being faithful to the ministry He has called us to.

# These are now our accomplishments in this Bible for Iyapayao Project.

At present we now have 115 attending each Sunday including 73 children. 80% of our people are unemployed because there are no jobs in our mountain province. Those who have jobs earn only about \$7 per day. In spite of these, our people have sacrifice and we are building our own small church building even our children save one penny per day from their food money and bring it to church on Sunday. Our 73 children able then to purchase 3 concrete blocks each week to help build our building. We continue the progress of this project by faith as God provides, please include in your prayers for our priority need those donations would be given for our Church building.

Home visitation, discipleship program, and aggressive biblical preaching and among all others are the very tools that we employed...Souls got saved and added to our humble ministry here in Apayao province..

I am happy to inform you that these souls obeyed the Lord in water baptism. Praise God!

**Because of this aggressive soul-winning and discipleship program training men and women for the Lord, He allowed us to start new outreaches and mission. Brother Michael John C. Mabini and wife, our home-grown local missionary was send to start a work to neighboring province, this is a 4-year-old work.**

**This ministry needs church lot and building, may we covet your prayers for the realization of this dream. Among the Cagayanos. A \$20 a month could help us put the project into realization. We are raising \$20,000 for this ministry.**

**We extend our deepest gratitude to you our dear partners, for your partnership and support to us. Let us continue to lift one another's burden, Our labor is not in vain in the Lord.**

**Two years ago, in the midst of COVID-19 dilemma, the Lord pressed in our hearts to start another mission work in the most far flung municipality of Claveria, Cagayan Valley. Because of God's mercy and grace we are now having a regular service every Sunday afternoon in one of the member's house. We are fervently praying for a church lot and permanent house of worship there because the work is getting bigger and souls are getting save. Please consider this to your petitions and support (we are raising \$10,000 for this ministry).**

**Here are some pictures of the present development of the ministry there.**
