Praise the Lord for His Goodness. We want to thank the Lord for you as our faithful partner on our ministry here in Asia particularly in the Philippines. Your continued prayers and support have enabled us to surpass all the challenges brought by the Pandemic and other challenges. We are so thankful to the Lord to have you all on our side especially on the most crucial moments of our ministry.

God has been good for He continuously blessing the work. Right now, we are in the middle of renovating the Second Floor of the Heartbeat Baptist Bible College. We started with the replacement/reinforcement of the Steel Trusses and Installing a New Roof. We have also started working with the Electrical Installations and then after that, we will begin to work on the ceiling. Outside the building, as you can see in the picture is we are doing the Concrete Plastering and when it's completed, we will proceed with the painting. We are also preparing to begin the construction of a new Kitchen in the College and an extra Classroom and Ladies Dormitory on the 2nd floor. Thank you so much for helping us with the Construction of our Bible College. We are praying for additional fund for our construction. We would appreciate any amount and it will be a great help for us to finish the project.

We also want to Praise the Lord for the New Land that God has provided for us. It has a total area of 1 Hectare or 10,000 sq. meters. This will be the new home of our Church and part of the land will also serve as our Campsite, The Psalm 93 Camp. The property is located 5 miles away from our Bible College. We will start Building the New Auditorium as soon as we raised the funds needed for it. As of the moment, we already have about 20% of what we need. Thank you for your help during our visit to your Church. Please continue to pray for us for this need. Way to go but I believe we will soon get there.

On our Church Planting Effort, we started Two more Mission Works. One in Abucay, and in Alas-Asin, Mariveles. Both of our brand new Mission Work are growing in numbers. Our Bible School Students has been a great help in the area of Soul winning, Bible Study, and Children Ministry. Our goal is to plant a Church in every town of Bataan, Zambales and Pampanga.

On our Youth Ministry, we just had our Youth Camp last July 18-22, 2022. After Two years of not having any Youth Activities because of the Pandemic, finally we were able to have one this year. It was attended by 200 Young People and 20 of them surrendered to the Lord to enroll to the Bible College. Ten of them are now recently enrolled on our Bible College and the other Ten have yet to finished their High School this year. Praise the Lord for the success of our Camp. Thank you for your prayers.

Kindly continue to pray for us and for our ministry. As our ministry is Growing, our financial responsibility is also growing. Your Continued prayers and financial support has really been a great help for us. From the bottom of our hearts, thank you so much.

This month is our VACATION BIBLE SCHOOL MONTH. We are expecting more than Two Thousand enrollees coming from all of our Churches and Missions. We have 60 Staff that are involve. We need your prayers for the success of this event.

Again, thank you so much. Thank you for your love for Missions. Rest assured that we will do all what we can to bring the message of salvation to many.

God bless you all and we all love you.

In Christ,

Bro. Ramil Ofrecio
