Dear Prayer Partner,

Greetings in the most precious name of our Lord Jesus Christ!

Great is the Lord and greatly to be praised. On our 3rd Quarter a big preparation that we focus on for our 12th year Church Anniversary, its "A Christian Feast", First a feast in the Word of God and second feast, is a lot of funs and surprising games were everybody enjoyed even our visitors participated on the said events. Also, it is our joy where souls are being saved and challenge them to surrender their life to follow our Lord Jesus, especially on water Baptism. But most of all we connected them to a family small group wherein they will care for and continue nurturing them thru the Word of God to be one of Christ's Disciples, as He commanded to Do so. Pictures will tell you more.

September 25 '22 – Three souls Followed the Lord on water Baptism including my granddaughter

September 28,'22 – Sharing the Gospel to a Bereaved Family now regularly we have weekly Home Bible study and attending our church services too
