**Pastor Randy Santos**  
CFBC – Dinalupihan Pastor

**Dear Pastor/Friends,**

First of all i would like to glorify the name of our Lord and saviour Jesus Christ for his everlasting grace, mercy and love towards us.

And greetings to my fellow pastors, brothers and sisters in the Lord, I would like to express my great gratitude to all of your supports, love and prayers in our ministry, here in the area of Dinalupihan, Bataan, Philippines and I would like to share to all of you about the victories this past few months. At the month of July, we are really grateful in our Lord God for the successful Youth Camp, and we had 17 delegates young people in our church and 12 young people in our mission out reach at Porac, Pampanga. And in our Youth Camp, it yielded great blessing in our church because three of our young people decided to go to the Bible School to serve and help in the work of God and to build a church after their study. At the month of August, we held our DVBS in our church and in our mission church at Porac, Pampanga we were able to teach over 200 children, and because of your continues prayers and supports we're able to sustain the needs of our ministry. And at the month of September, although it is raining heavily and many typhoons are keep coming in our country here in Philippines, we are once again held an Evangelistic Crusade in September 29 and 30, I thank the Lord because of that two days we are able to evangelize and win souls in every streets, and we evangelize 328 souls for the 2 days of soul winning for our evangelistic crusade. And now the few of the soul who got save we are able to stablish bible studies.

And now, we're continuing to ask for your prayers and supports for us to sustain all of our needs in our ministry, especially now that fuel and commodities are so high. I also want to open up my feelings and my heart because until now I still haven't had the vaccine yet because of my heath condition, and America is requiring the vaccine and I don't know yet when I am going again there in America to report the happenings in our ministry here in Dinalupihan Philippines. That's why I'm asking of your help, I hope you can help me bring it closer your friends, pastors, churches and acquaintances, that if possible they can also help us with our activities in our ministry because it seems unlikely that I will be able to return to America and find another supporter in our ministry. I'm hoping that you can help our ministry. And at the upcoming December, we will hold a thanksgiving in our church, we're going to give gifts to children and other individuals. We're asking for your continues help and support in our ministry. You can count on each individual church or pastor to help us. We will be good stewards with all the support they will give us. I hope you will continue to help us in our ministry, once again you can trust in us especially in our Lord God, that your efforts will not be in vain.

We are hoping for you to continuously be with us and continuously help, pray and support our ministry, and we want to tell you that these success that we have is also your success. Even if we are 10,000 miles away from each other you can always count on us, that in our further successful achievements in our ministry we will continue to inform you, so that the things you do to take honor of our Lord God will not lose significance and be abundant in front our mighty God, we are always with you to spread, preach and share the word of our Lord Jesus Christ.

Thank you and we are also praying for all of you. ... God Bless Us All..
