“Only let your conversation be as it becometh the gospel of Christ: that whether I come and see you, or else be absent, I may hear of your affairs, that ye stand fast in one spirit, with one mind striving together for the faith of the gospel;” -Philippians 3: 27

Dear Pastor and Church,

Greetings in the name of our Lord and Saviour Jesus Christ! We are so grateful and thankful to our God for His faithful and grace that He’s giving us everyday of our lives! Truly, it is a great privilege to serve of Living Almighty God!

We would like to express our thankfulness for your faithful prayers and generous support through these years! Thank you so much also for giving us **extra miles** of generosity on our December gift giving! We have distributed a **total of 585 food packs cost \$20 each**. And **600 year-end gifts for our feeding ministry children**. I know that the pictures may show some of their smile and happiness but to see their smiles face to face and hear their deep gratitude to all of you are so overwhelming! And all I can say is **“Thank you Lord for giving us partners in the ministry and glory all belongs to you!”**

I pray that though I cannot post in this letter all of their pictures, some of it may give you smile! Because it was a great relief specially in this difficult times! **WITH ALL OF OUR HEARTS THANK YOU SO MUCH!**

Please keep praying for our Children feeding ministry! **We are almost 100% back with our Children feeding ministry!** Our folks here have already committed some money for this ministry but still we are of need of around **\$250 per week**. We are doing our best to keep our children fed even with little bread that our filipino brethren give but we are praying that we can do hot meals too. Hoping and praying that the Lord will provide for more funds for it as it is greatly used of God to evangelize the kids with the gospel of Jesus Christ and equip them with the word of God as they grow! These ministry has produced several Bible Students that will be future Pastors, missionaries and Christian workers to our country and even to our neighboring country!

Please Pray also for the fellow Missionaries/Pastor that we are have sent out to different villages. They are of need of monthly support but their urgent needs are to have a church lot and building due to their growing congregations. They even tried to have multiple services but we all agree that the fellowship of the church members will be greatly affected if they don't see each other often.

This is **Pastor Marlon Nebre**. He Started His ministry in 2017. Now, they minister to over 250 children every week and more often his congregation is divided and meet to several locations. But sometimes they are allowed to use a rice storage/warehouse to facilitate the whole congregation. His congregation is at least has 150 people. They are so eager and bold to reach their community with the gospel of our Lord Jesus Christ!

This is Pastor Jayvee Ganelo. He started the ministry in the village of Siling Bata July of 2019. Their mission church has started several children centers in several location which did not only reach kids but also young people whose eventually became faithful in reaching youths of their age group and joining them in their youth groups. Currently, some of his young people that are being train in our Shepherd Bible Institute.

This is Pastor Daniel Baligaboso. He started the ministry in the Village of Bagong Barrio June of 2019. together with his faithful mom sis. Donna their ministry reaches many adults. They have a very vibrant fellowship of adults which led them to reach more fathers and mothers with the gospel of our Lord Jesus Christ! They are also reach many kids and young people but I think their ministry's strength is with the adults.

This is **Brother Isagani Dela Pena**, he started his ministry may of 2021 in the village of Pinagkwartelan. His ministry began with basketball evangelism and children and feeding ministry. Then doors were open for home Bible studies. We are praying that this coming August 2022 that they will start having Sunday Services.

December 19 2021-after so many cancellation due to Covid-19 Restrictions. We finally celebrated our 10th year Anniversary since we started the ministries here in the province of Bulacan. We gathered all the people that we minister in different location except the children in our feeding centers. I'm so glad to see so many people we have reached with the gospel of Jesus Christ through the small mission churches that we have planted through these years.

SHEPHERD BAPTIST INTITUTE UPDATE- by the grace of God we are on our **second year** of our Bible School. Looking back on its beginning all I have was a clear vision and calling from God to begin this great ministry. We praise God that many of our young people that are studying are now being use by God to different ministries such as evangelism/soul winning, discipleship, church planting, children feeding ministry, facilitating camps and retreats, home Bible Studies, Music ministries and many more.

School Year 2021-2022

Temporary Class Rooms:

SBI Chapel Hour:

Church Instrument and Singing (Vocals) Lessons:

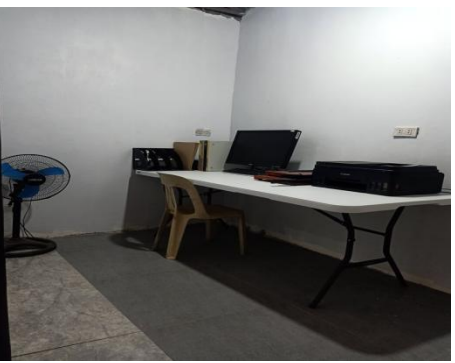

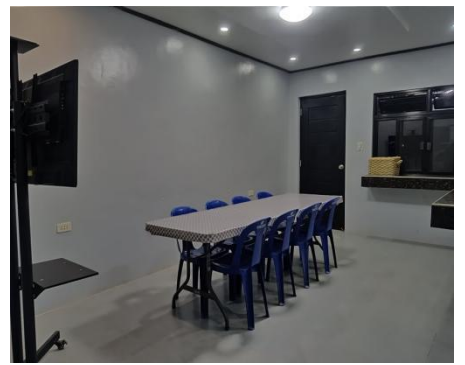

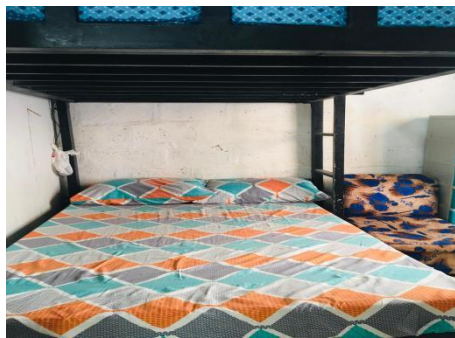

SBI Practicum

PARSONAGE PROJECT UPDATE:

We would like to praise and thank the Lord for his goodness and for giving generous partners in the ministry like you. I don't know how to thank you enough for your faithful prayers and generosity towards this project. All the gifts that you have given us were used to fully furnish the first and second level of the parsonage, kitchen, restrooms, dining room, and church office, but because of lack of bedroom, we temporarily use it as an extra bedroom. And we are using our small printing room as our church/SBI office temporarily.

Thank you so much once again for your generosity toward this project. We definitely **maximize** all the funds that you have donated together with the best effort of our Filipino brethren could do to contribute with this project. However we are not able to finish the third level of the parsonage. Please continue to pray for the completion of this project. Probably it will still need around \$5000 to finish it.

Additional Prayer Requests:

1. Please pray for the ministries here in the province of Bulacan. In the months of January and February we have seen an exponential growth in every churches in the villages specially in our church where I currently ministering. But the devil seems not to like it very much. In the months of March and April a lot of members got **sick** and we even had a member that died just last week. My family and I were not spare from **sickness**. Another problem was **immorality** with several of our young people who were volunteers in the ministries. It resulted great damage on the church's testimony in the community and several people and families left the church. But praise God because little by little we are now on the recovery process.

2. Please pray for me. I'm trying my best by the grace of God to keep myself together for my family, church and specially for God. To be honest I'm having symptoms of depression but I'm fighting and I have faith on God that I will overcome it.

3. Please pray for the Pastors I have mentioned above. I can guarantee that all of them are faithfully serving the Lord. They are all hard workers, dedicated and diligent! Please include their needs in your prayers. They all need church lot and building that at least would accommodate 100 to 150 people. All of them are overflowing in the places they gather for church services. The lot cost around \$30,000 each and the building cost around \$40,000 each.

4. Please pray for more monthly support of Shepherd Baptist Institute. We need more partners in the ministry as the Bible school grows bigger. We currently have 50 students and more are desiring to enroll this coming May 16 2022.

5. Please pray for our hearts desire for our church and Bible Institute. A **6,458.35 sq.ft multi-purpose building** was designed by my friend that can serve as a worship hall, Sunday school rooms, Bible school facilities and future Christian School facilities.(Jemima is currently furthering her education so that she will be eligible to run the ministry of K-12 Christian School.) The amount we are praying for this building to be functional is \$120,000. I know it is really a big amount of money but by the grace of God I know He will provide. Like what my friend always remind me "He is our source"!

"But my God shall supply all your need according to his riches in glory by Christ Jesus. Philippians 4:19"

6. Please pray also for the come back of our VBS. We will be having it this coming 2nd and 3rd weeks of July 2022. We will attempt to minister to the children like what we did last 2019. Our goal is to have 4,500 children in 18 different locations

In Christ Service,

A. Sry

Brother Anthony Yamat
