December 2022

Dear Pastor, Church, and Friends,

**DVBS**

All praises and thanks be unto God for His constant guidance, protection, and blessings! As 2022 comes to an end, we want to take a moment to express our gratitude for your unwavering support and prayers, which allowed us to carry on and embrace a fruitful year. We are incredibly grateful to God for each and every one of you being our faithful partners in the ministry.

We are so excited to report to you that, despite these trying moments, God's hands are still moving. Last August 2 to 20, we had our Daily Vacation Bible School, and from the 32 Children Centers all over Bataan, Pampanga and Zambales, by God's grace we were able to teach 1320 children. It is also a blessing to witness how their families, including their parents, were captivated by our DVBS and gave their children their complete support up to graduation. To God be All the Glory! All of these will never be done without the caring hands of the Lord, His instruments, and your prayers.

**Evangelistic Crusade**

By God's grace, we were also able to hold a two-week Evangelistic Crusade in our mission churches consisting of soulwinning, saturating, and campus ministry, with the help of our bible school students, members, and pastors. With the people we have witnessed, we were able to hold a church service with songs of praise, and mainly the preaching of the Word of God. Out of this, we have established additional bible studies and campus ministries, beside what we have already started. Praise the Lord for giving us a victorious Evangelistic Crusade!

**Ladies Helping Hand**

On our Ladies Helping Hand, glory and thanks be to God in the highest as we marked 8 years of God's grace upon grace. It was a blast for everyone as 94 ladies fellowship and worship the Lord. With the verse "But grow in grace, and in the knowledge of our Lord and Saviour Jesus Christ..." as their theme from 2 Peter 3:18, it is a blessing to see how each and every one of them is strengthening one another for the glory of God. Praise God for the success of our celebration.

**Common Service**

Glory be unto God for the success of our Common Service, which we held with our churches and missions from all around Bataan, Pampanga, and Zambales. This is the first time we were able to gather again, since the pandemic hit. We are also still under the influence of strict protocols. On top of that, as we approach the end of the year, there are still upcoming activities we are preparing for. We need your prayers for the success of these event.

**Psalms 93 Campsite**

Please continue to keep us and our work in your prayers. Our ministry work are expanding so as our financial responsibilities. Your continued prayers and financial support have actually been of tremendous help to us. We truly appreciate everything that you are doing for us.

To conclude, I would like to thank you all once again for all your support, love, and prayers for Missions. Rest assured that we will do all what we can to bring the message of salvation to many.

God bless you all and we all love you.

In Christ,

Bro. Ramil Ofrecio
