### AGUINALDO, IFUGAO

Dear Pastor and Church,

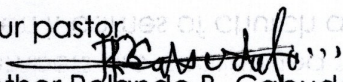

First and foremost I would like to greet you all in the name of our Lord and savior Jesus Christ the author and finisher of our faith according to this great mercy and eternal love.

I made this letter of communication so that I can report or inform you our weekly and monthly activities in our areas of responsibility. There are a lot of hindrances and obstacles that I always encounter but these things will not hinder me to do my responsibilities for our Lord. As it is said in the book of Mathew 28:19-20 "Really it is very hard to follow, But by His precious word specially the gospel of salvation to those who are not yet save. We are doing soul winning, bible study and other services like dedication, thanksgiving, and anniversaries in that way we can preach and share the word of our Lord. In the last 2 months we can join interchurch fellowship with 8 churches and my companion are my kids, young people, and adults. We fellow pastors and our members in our churches are so much excited to have fellowship with other church members. We saw our members that after the fellowship, our members are challenged to dedicate their time in doing their responsibilities when it comes of church activities as a show their love as a member of their churches.

We pastors have our monthly prayer fellowship which we are glad to see each other. For almost 3 years that we are not able to see each other because of lockdown or restriction to go out to other provinces we cannot perform monthly prayer fellowship. But with grace and love of our Almighty God there are no longer lockdown or restriction but still we need to follow some health protocols given by our government. When we conduct monthly prayer fellowship, we give our thanks and praises every time, and we take that opportunity to discuss the financial needs of our new missionaries. In that why we can ask help to other pastors what they can say, suggest and can give help to the new missionaries. We pastors pray each other to the wellness and goodness for the work of the Lord and good health for everyone.

Thank you very much for your prayers and financial support, we assured you that we are using it wisely for the goodness of the work of the Lord. God bless you and we love you all. I Corinthians 15:58 "Your labor is not in vain in the sight of God.

Your pastor
