II Corinthians 4:3

Dear Brothers and Sisters in Christ,

A blessed Christmas to everyone! I pray this letter finds you in good health. I praise the Lord for all of you who never cease to pray and help us.

This December, we received a big blessing that we have been praying for since we started building this church in 2017. By God's grace we already have our church permit. Praise the Lord! The process was not easy but God has been faithful. He delivers. Thank you very much to everyone who prayed with us regarding this matter.

Last September, Brother Danny Kheng started to work in our church as a full-time co-worker. He resigned from being a teacher for 8 years. He said it has been a burden in his heart to be used by God fully in His vineyard. He noticed that there were many jobs to be done, but there were few laborers. Praise the Lord for him answering His call. Please keep him and his family in your thoughts and prayers as he takes this leap of faith.

I have mentioned in our previous report our plan to conduct a VBS. We were able to do it for three days, December 5-7. Praise the Lord it was a success. We were able to emphasize the ideas of listening, focusing, and following Jesus.

Update on the Dirt Project: Thank you so much to everyone who prayed with us and contributed financially. We've already filled a large portion of the space with dirt. We still require approximately 80 more truckloads of dirt (a larger truck); one truckload costs \$22.50. As I previously stated, we are surrounded by houses, and there is no way for our water to drain. By God's grace, we were able to purchase a plot of land from a neighbor in order to connect the drainage to the main road. The size of the land is 1 meter by 44.5 meters (1.1 yards X 48.7 yards). It costs \$3,500. Praise the Lord for His provision.

My family and I are going on a furlough for 6 weeks. Lord willing, we are going to the Philippines on January 10th and will be back to Cambodia on February 20th; we have already booked our tickets. Our purpose of going there is to renew my Philippine driver's license; I need this license for the renewal of my Cambodian driver's license, which expires this December. Faith just graduated from Kindergarten last August, and we're going to enroll her in homeschooling like Norein Grace.

We have been attending Pastors and Family Fellowship since July this year. It's a monthly fellowship that seeks to encourage one another in the Lord's service. We move from one church to another; we were able to host this fellowship last October. It's a blessing and encouragement to see others' ministries and witness how the Lord blesses and uses them for His glory. We are a group of Filipino and Cambodian Pastors and Missionaries. Please pray for our spiritual relationship to blossom further.

Please pray for some church activities before this year ends. On December 25th, we have our Sunday service and Christmas fellowship. On December 31st, we have Year-End Thanksgiving Fellowship, and it's also Job's 4th birthday. And on January 1st, 2023, we have our Sunday service and we are going to give a complete set of school supplies to 13 students. We have been doing this every year. If you want to be part of this project and sponsor a student, please let us know. This time it costs \$35 per student and consists of a complete set of school supplies, a bag, and a pair of uniforms.

Please continue to pray for our members' spiritual growth.

Before this year ends, I would like to say thank you so much to all of you for your continuous prayers and unwavering support for my family and ministry. This year has been great, though sometimes we are not in good shape, but the Lord has been good and gracious. I encourage everyone to continue serving the Lord and bring glory to His name.

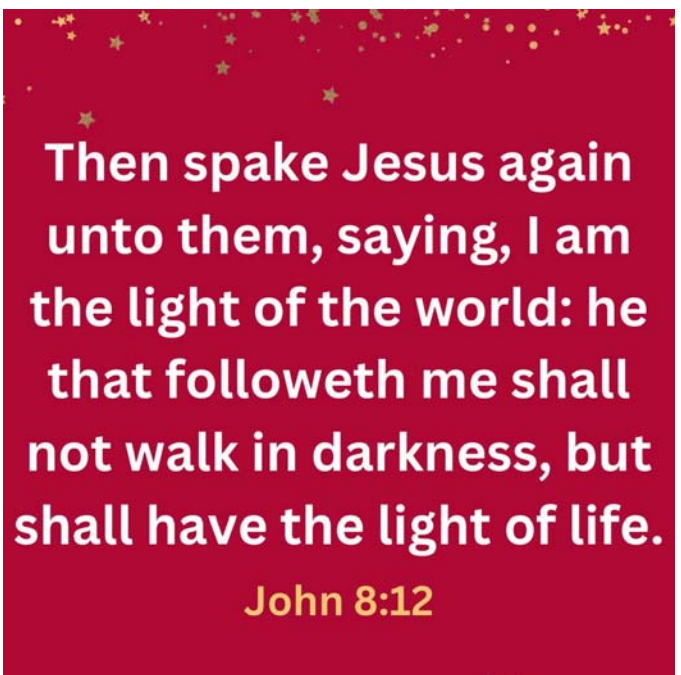

Thank you very much. We love you and appreciate you all.'

God bless us all.

In Christ Jesus,

Brother Aaron Antonio and Family

This is the piece of land that we have bought from our neighbor to make way for drainage. We've already put up a fence.

This is an aerial photo of our property. We just need to fill up some parts to balance the shape and leave an open area for a fishpond.

Faith just finished Kindergarten. She just turned 6 years old on November 29th. Lord willing, we'll enroll her to homeschooling when we go to the Philippines.

3-Day Vacation Bible School.

Ladies Bible Study/Fellowship every last Saturday of the month.

My dad invited me to preach on their 19th Church Anniversary on December 18th.
