11 Corinthians 4:3-4

Dear Brothers and Sisters in Christ,

Greetings in Jesus' name.

These past months, we have seen many saved and discipled. Praise the Lord, both the men's team, who preach the gospel during the week, and our ladies have consistently been involved in soul-winning every Saturday. By God's grace, we are making every effort to instill in them the value of our purpose, which is to share the Gospel of Jesus Christ and to have compassion for those who are lost, as well as the significance of our work. Each one can reach one.

Praise the Lord, in May 2023, the ladies' gathering, which takes place on the last Saturday of each month, celebrated its first year. Everyone talked about how the fellowship enabled them to grow in their relationship with God and gave them the confidence to express how the Lord's words had impacted their hearts.

We were able to start a village ministry on April 30, 2023. We have been going there every Sunday afternoon. Please help us to pray for the people there to get to know our Saviour more and to truly receive Him as their only Lord and Saviour. Annie has also started to teach the kids the English language after their Bible stories and activities. Every rainy season, this village is submerged under water. The water reaches almost 10 feet high, which is why if you look at the pictures, you will see their stilt houses. We have been praying and planning to give 10kg of rice and a box of instant noodles per family before the water rises, as the rainy season has already begun. There are usually eight adults present, but sometimes there are fourteen. They have to ride their boats to the border of another province to catch fish or quail. We are aiming to give to 30 families, including those who are coming with us to minister in that village. It costs \$15 per family, and with that amount, we can include some condiments like soy sauce, fish sauce, and salt, as these are their staples. If you would like to help and be part of this giving, please send it to our clearing house, and don't forget to mention it in the check. It would be greatly appreciated.

The rainy season has already begun. Praise the Lord, we are not having problems with our waterways. We don't worry about being flooded again. Thank you so much for all your prayers and help. We still have a lot of space to fill in with more dirt, but for now we are okay with the higher ground surrounding our church building.

Update on our family: Norein Grace and Faith are now both home-schooled. Soon enough, Job will join them as well. Praise the Lord for my children who have hearts for the ministry. They actively join their mom in going out every Saturday. We all got sick as the season changed from extremely hot weather to rainy weather. By God's grace, we are all okay now. I just celebrated my 44th birthday on July 8, and Annie will celebrate her birthday on August 1. Both of our prayers are to lead our children to Christ, set a good example for them, and be used mightily and effectively in the Lord's ministry.

Your faithful partnership has made a significant impact on our ministry efforts. Through your sacrificial giving, we have been able to reach remote villages, preach the Gospel, and witness lives being transformed by the power of Jesus Christ.

May the Lord bless you abundantly for your love and support. Please continue to remember us in your prayers as we press on to fulfill the calling God has placed upon our lives. Together, let us strive to make His name known and bring hope to the lost and broken.

We love and appreciate all of you. We remember you in our prayers.

GOD BLESS!

In Christ Jesus,

Brother Aaron Antonio and Family

This is Kampong Ous village where we started to minister on April 30. Please help us to pray for them and fulfill our hearts desires to share something with them before their village is covered with water again. We aim to give them 10 kg of rice, a box of noodles, and some condiments. We aim to give it to 30 families, and it costs \$15 per family. It would be greatly appreciated. Thank you so much!

These are our soul-winning groups. The men go out during the weekdays, and the ladies go out every Saturday. Praise the Lord for these laborers of Christ in fulfilling the Great Commission! Our English class is also an extension of our soul-winning, as we take the opportunity to share the gospel with our students.

The baptism of Rachana and our church outing at the same time were our recent activities. May marks Mother's Day and the first anniversary of Ladies Fellowship. To God be the glory!
