

THE SANGALANGS

"For the grace of God that bringeth salvation hath appeared to all men."

MINISTRY REPORT | JANUARY 2023

JANUARY is a hectic month, aside from our normal Daily Ministry Routine, like House to House Soul winning, Children's Outreach, Street Preaching, Nightly House Churches. There are STILL a lot of things to do and need to be accomplished both in the Church and Camp Joy.

"And now, little children, abide in him; that, when he shall appear, we may have confidence, and not be ashamed before him at his coming." - 1 John 2:28

We spend the first day of the year by holding a THANKSGIVING SERVICE, as we reminisce the GOODNESS of God in our lives, the Church also made a PLEDGE to give \$525 Monthly as our Sacrificial Offering for our Building Fund. And along with that, we decided to RENOVATE the 20year old CEILING OF OUR WORSHIP HALL. We only hired one skilled carpenter and ALL of us shared our time to help. It is estimated that it will be finish by second week of April and then we also like to put Tiles on our Flooring. ALL OF US ARE EXCITED TO WORSHIP THE LORD IN OUR NEWLY RENOVATED WORSHIP HALL this coming Summer.

In the Middle of our many WORK, we decided to hold a THREE NIGHT REVIVAL SERVICE in January 27th 28th and 29th. The Services were really a GREAT BLESSING. I invited one of our adopted local Missionary to Preach for us and he really did a good job. I can say that although our flesh were really tired because of the many works that we were doing, YET THE LORD HAS STRENGTHENED OUR SPIRIT. Like Paul said in 2Corinthians " Though the outward man perish, yet the Inward man is renewed day by day"

CAMP JOY

PLEASE CONTINUE TO PRAY FOR THE MONTHLY
SUPPORT FOR CAMP JOY MINISTRY.

AS OF TO DATE, I AM GLAD TO REPORT TO YOU THAT WE WERE ALREADY ABLE TO INSTALL A RUNNING WATER. ALTHOUGH IT IS NOT STRONG AS I EXPECTED BUT FOR THE MEAN TIME AT LEAST WE HAVE WATER TO USE.

WE ARE NOW WORKING ON THE PROCESS TO HAVE ELECTRICITY, THE ELECTRIC COMPANY HERE IS NOW PROCESSING OUR APPLICATION AND LORD WILLING BY NEXT MONTH WE WILL HAVE ELECTRICITY, AND BY THEN WE CAN START ERECTING THE FENCE.
