Dear Pastor and Church;

Greetings in the Name of the Lord, I learned that speaking with bursting emotion may reach you our humble gratitude for your continuous prayers to our ministry here in the Philippines. God is good all the time as we increase in number to praise Him. He supply the necessities of His ministry from financial to the well-being of His children.

These past few months, we've experience several natural disaster resulting us to adapt and to be resilience. We do house-to-house bible study, visitation, and soul winning every Saturday. In this 2nd quarter, we celebrated our 7th Church Anniversary, and many lost soul were found after hearing the word of God. Also, we begun the training of the young people were they will be fully equipped to face the challenges of this sinful world. They led the children and music ministry, and they're thriving together to expand their territory by helping each other. From their collected offerings and first fruit, they already brought one guitar and one ukulele. It's our continuous prayer that this young people and the children will become faithful professionals and leaders in the future.

As day go by, we always need your prayers and support. Thank you and God Bless....
