VBS SPECIAL REPORT

Dear Pastor and Church,

Greetings once again in the name of our Lord and Savior Jesus Christ! We are in our utmost praise to our LORD GOD for His greatness that He has shown to us for these past two weeks VBS. God knows how we tried to be diligent & prepared ourselves for our biggest ministry during school vacation months.

Since the beginning of our ministry here in Pandi, Bulacan 12 years ago. VBS was one of the ministries that we really look forward the most during vacation time in our country. We believe that sowing the word of God specially the gospel of our Lord Jesus Christ to the children, may result of many children get saved and will grow stronger in the faith at their very young age. We may not see sudden big changes in the lives of these children for now but I believe with all of my heart that in the near future we will see so many well-trained young people to join our God-given vision to reach thousands of people with the gospel of our Lord Jesus Christ, and plant many churches in all villages of Pandi and other neighboring towns. As of now we were able to plant 7 village churches and they all started with children ministry. We average of 1 100 children in our Weekly Children Feeding Ministry in more than 50 children centers. we are aiming not only to share the gospel but to disciple them.

Since the month of May, we started by faith the preparations for the Vacation Bible school. Our fundraising was really slow but the Lord gave me peace in my heart to continue preparing our volunteers for this great ministry. By The Grace of God we were able to prepare almost 150 volunteers to minister in 18 locations in two weeks. We maximized what ever we got and and Lord completed what we needed.

We encountered different kinds of problems such as bad weather, sickness of several volunteers, delayed of supplies, vehicle mechanical problems, mean parents, and limited funding. But God's grace is much more greater than all of these problems. Enabled us to minister to at least 4436 children and also to hundreds of parent with the gospel of our Lord Jesus Christ!

Please continue to pray for us, we still have 3 centers that we need to do VBS. May God empower us to minister to them too. I would like to thank you so much for your prayers, love and generous sacrifices for the ministries here in Pandi Bulacan. Thank you so much and we are all very grateful. Praying for you.

In Christ Service,

Brother Anthony Yamat
