In behalf of Bethel Independent Baptist Church, I would like extend my deepest thanks to your partnership with us in our ministries here in the Philippines, your love, prayers and support are truly making a big difference in us, God Has been so good despite of inevitable trials that we had faced on these past months in the ministry, to the health of my family, to my experienced of deportation of the US immigration on my supposed visit last June in the United States, "God's grace and strength never fails as he promised "(Hebrews 13:5).

And this past July We were able to participate in a youth camp meeting, twenty six of our youth had attended and were challenged by the Word of God and volunteers their life in the church ministries at their young age, and my son also has committed and surrendered his life in the Lord to the ministry, we have also conducted our yearly VBS in our four different village outreaches were more than two hundred children participated in this work, thru this ministry, and the Lord blessed us, the door of opportunity has open for us to present the gospel in many parents of the children that we ministered, we are now visiting them in their houses do the sharing of the word of God,

And the Lord blessed us added in the Church three precious souls who followed the Lord in water baptism, Another Answered prayer and blessing that our young men has finished and graduated in the bible college, he is in taking care of the new mission that we are working. He came from the broken family but he surrendered his life to the Lord to the ministry and go in the mission, please pray for him as also am praying for some one who will take him on for support of extra \$25 to help him in the mission field.
