My prayer request: My brethren may I ask include this in your prayers asking that, God willing, we may acquire the necessary support from churches to meet our needs and enable us to secure a church vehicle. Let's pray that, with God's guidance, pray For God's will.

Thank you.

I hope this letter finds you in good health and spirits. I am writing to express my deep gratitude for the incredible opportunity you gave me to share my future plans at Pangasinan, Philippines. The experience has been truly transformative, and I am overwhelmed with thankfulness for the warm reception I received from the members of your church.

Your generosity in allowing me to stand before your congregation and share my passion for the gospel is something I will forever cherish. The love and support I encountered during my time with you are beyond words, and I am humbled by the kindness and encouragement shown to me by both you and the church members.

I want to take this moment to once again extend my heartfelt thanks for your kind invitation and the opportunity to share my future plans with your congregation. Your unwavering support and encouragement have been a true blessing in my life. Together, we have built a bond through our shared commitment to spreading the message of the Gospel.

As I move forward in my journey, I will carry the lessons earned and the memories made during my time with you. Your guidance has instilled in me a greater sense of purpose and a deeper appreciation for the power of faith.

May God continue to bless you abundantly, dear Pastor, as you lead your flock with unwavering dedication and love. I am forever grateful for the role you have played in my life THANK YOU.

And Thank you for taking me as your missionary and supporting me financially and spiritually thank God for this friendship and partnership may God bless this ministry abundantly.
