**Dear Pastor/Friends,**

Before anything else, I would want to praise the name of our Lord and Savior, Jesus Christ, for his unending grace, mercy, and love for us. And greetings to my fellow pastors, brothers and sisters in the Lord, I am pleased to offer my heartfelt thanks for all of your encouragement, love, and prayers in our ministry here in Dinalupihan, Bataan, Philippines, we also want to address you that we are doing everything we can to bring our fellow brethren to the Lord.

I thank and praise the Lord for the ministry that He entrusted to us, that until now we are keep on keeping on in our ministry and continuing to preach the word of our Lord God, and now we are mentoring individuals, particularly young people who will share the gospel. We are also doing this mentoring in order to have a solid and strong church and to serve our Lord God, especially since some of our members are having a hard time and discouraged because of the poverty, some also are having a hard time providing for their daily needs since we have a high inflation in the Philippines and low wages. Please help me and consider me in your prayers, that i can help provide or give our member of the church a job so that everyone will be lift up out of poverty by the grace of God. We are also asking for prayer if any individual is willing to support our ministry in our church, please keep us in your prayers. I hope you can help me convey all the prayers to your friends, pastors, churches, and acquaintances, so that if possible, they may also help. Furthermore, our church is currently supports two Bible school students, two missionaries, and two workers.

Also to our fellow pastors and friends I just want to tell that right now I am planning travelling back again in the U.S. maybe at the end of June or first week of July. I just want to take and grab this opportunity that was lift by the U.S. Government regarding the unvaccinated travellers, because since I'm still not vaccinated and also my visa is going to run out next year at the mid of 2024, and until now I'm still praying for my plane ticket and pocket money, and if anyone who wants to help or donate this will be a big and great blessing for me and for the church.

And we are also thinking about getting a generator because when there is a power interruptions, it sometimes interrupts our service to the Lord. We are pleased to receive and accept all of the assistance or donations for the generator that we are praying for. I'm hoping for your prayers for us to sustain every needs of our church. We continue to pray for your assistance and encouragement in our ministry. With all your supports and assistance, we will always be a great stewards . I hope you will continue to support us in our ministry, and please always know that you can always put your trust on us and faith in our Lord God, and that your efforts will not be in vain.

We have been able to reach out to more people and make a positive impact in our community through various programs and initiatives. We have also been able to strengthen our relationships with each other and with God through our worship and fellowship. As we move forward, let us be guided by our faith, love, and commitment to serving others. Let us continue to work together towards building a strong and vibrant church that serves as a light of hope and inspiration to all, from God. Thank you to everyone who has contributed to our success, and may God bless us all on this journey.

You can always count on us to keep you apprised of our future successes in the ministry of our Lord, so that the things you do to honor our Lord God will not lose an importance and be abundant in front of our mighty God. We are always with you to spread, preach, and share the word of our Savior, Jesus Christ.

Thank you, and please know that we are all praying for you. ... God Bless Everyone.
