“Ye have not chosen me, but I have chosen you, and ordained you, that ye should go and bring forth fruit, and that your fruit should remain: that whatsoever ye shall ask of the Father in my name, he may give it you.”

John 15:16

My Dear Prayer Partners

Greetings once again in the precious name of our Lord and Savior Jesus Christ! I would like to thank you so much for your faithful prayers and generous monthly support in His ministries here in Pandi Bulacan! We sure felt the love you are extending to all of us.

Bible Institute

Finally our third level is in full function and our young ladies Bible Students are now enjoying their new rooms.

We are thankful for the lives of our teachers that while love and sacrifices teach our students. This first semester of 2023 -2024 the Lord entrusted us 70 students but purging came and we end our semester with less than 60 students. Some got ill that they cannot continue their study, some had conflicts with their work and sad to say that some turned their back from the Lord. It was a very painful experience to me but on the brighter side those who remained made a much better impact to the ministries they led.

We are pleased to announce that several Christians have surrendered their lives to the Lord and are planning to study in our Bible Institute. Our second semester will begin on February 12 2023. May these Bible students grow more in the grace and knowledge of our Lord Jesus Christ!

Church Anniversary

By the Grace of God on December 17 2023, He has blessed us to celebrate the 12th year of His faithfulness in the ministries here in Pandi, Bulacan. Looking back at the very beginning of the ministry, As a Pastor’s Kid, I was really scared of the difficulties that could happen to the ministry. But thanked God he constantly reminded me through many ways that **it is not my ministry but His. He will provide, increase and strengthen His saints.** All I need to do is

to **obey and yield to God's command and will**. The Lord blessed us with several professions of faith and an attendance of more than 700 people. We are so blessed to have Pastor Oscar Antonio as our Preacher in the Morning Service and Pastor Anthony Dye on the Afternoon Service.

Church Planting

We are so happy to let you know that our new church plant in **Batia Bocaue** is gathering now every Sunday Morning. It was a challenge to encourage Friday night attendees to attend a Sunday morning Service but by God's grace the ministry is show great potential for growth. We also thank God for new children center that Go has entrusted to us. Please pray for **Brother JR Dacumos** as he lead this new church plant or we call it here in the Philippines a Mission Church.

Two Groups of Bible Studies and 3 children Feeding ministry have been started in the **Villages of Silangan and Mag-asawang Sapa** in the town of Sta. Maria. Once again by the grace of God, **Brother Steven San Diego**, a fourth year student in our Bible institute started lead it more than 2 months ago, and Lord willing they will have a service few weeks from now.

Please continue to pray for us. In the next three years, we are praying for 7 more churches to be plant and of course more souls to received believed our Lord Jesus to be their Lord and Savior!

Gift Giving 2023

It was always been our joy to see our children feeding ministry grew in not only in numbers but also in their faith. Through these years we have seen a great move of God in our ministry. In 2011, We have experienced to have a service just the two of us but now we have already 8 village churches and a great group of volunteers that are with us through thick and thin, and it all started by a simple children feeding ministry outreach. Last December we are blessed to minister to 1500 Children. These groups of children are being ministered on a weekly basis. We may not have the facilities to accommodate them all but by God's grace we know that these kids will grow up in the word and become faithful believers and disciples of Christ!
