Dear Pastor and Church;

Greetings in the name of our Lord Jesus Christ. We wish you prosperous happy new year to you. We are very grateful to your continuous prayers and support to our ministry here at the Philippines. As the year start folding again, we would like to share that the work of God still prevail here. Our ministry were slowly improving, Soul winning, tracts distribution, bible study, children ministry, music ministry, and worship service become more feasible. We baptized 2 new believers and saved more than 50 souls at this 4th quarter of the year. Sharing the gospel to the people will be the greatest gift we can share to them. We have also an opportunity to teach high school level and senior citizen in every villages in our town, many of them got saved. As the day go bye my responsibilities slowly grow bigger therefore I need your prayers and support to make the Lord's ministry go on. Thank you very much for all your sacrifice and prayers, May the Lord richly bless you and your ministry, knowing that our labor is not in vain in the Lord.
