Good Evening Pastor and All Members,

Please continue to pray for the spiritual growth of the new believers, baptism of the regular attendees. Also, that our regular monthly fellowship will resume and strengthen believers in different tribes. Pray for guidance and protection in our daily activities and more missionaries to surrender in full time ministry.

Pray for our church lot property, financial needs to overhaul the church vehicle and also for our missionaries needs of doors to open for evangelism and spiritual growth of the believers.

Thank you and God Bless!

Brother Jerome P. Tuppiyac Jr.
