UPDATED LETTER FOR MARCH

Dear Loving Partner in the Ministry,

Blessed be our God for His nonstop provision and nonstop grace. His grace is always sufficient—Jesus Christ is always enough.

I just want to say thank you for your heart, especially for your heart to missions. We really appreciate your heart Pastor and Church.

I just want to give you some updates on what God is doing in our ministry here in La Trinidad Benguet Philippines.

God has been so good for these past few months of work here in our ministry as we do our work here in The Philippines. God never fails and God always does some miracle to provide all of our needs.

We just moved into our new apartment, and we were able to start our ministry for the Lord. We are so thankful that the Lord has given us this kind of apartment that we were able to gather people who need the word of God.

We already have a prayer meeting every Thursday night. God has been good because we have an attendance of 15 people every Thursday night.

Also, we just started our Young People Fellowship every Friday night. Young People are always excited to serve God.

Also, we have established a children ministry every Saturday. Every Sunday, we have two (2) services—Sunday School and Sunday Service.

Please help us pray for our place so that we can continue to use this for the glory of God.

We are raising \$3,600 for a year (1 year) of contract for this apartment, especially since the owner of the apartment gave us only 6 months of staying here. We don't want to stop doing all of our services here because it's hard to find a place like this, so please help us pray for that and God's provisions financially.

As we continue serving the Lord and see the responsibility over the work for the Lord, we are praying that our Financial Support every month will increase to do more for the ministry of our Lord Jesus Christ.

And as we continue to share the Good News in this place, we really need your prayers as we walk with the Lord in every single part of our lives. Thank you so much once again, little by little, our goals and visions are becoming reality. We will never stop sharing the word of God until we reach our goal and vision to reach all the people here in La Trinidad Benguet Philippines.
