Dear Pastor, Church & Friends,

Greetings in the Most Precious Name of our Lord and Savior Jesus Christ, To Him be all the Glory.  
'For God is not unrighteous to forget your work and labor of Love, which ye have shewed toward his Name'  
Hebrews 6:10.

In behalf of Bethel Independent Baptist Church, I would like to give my deepest thanks and gratitude once again for the Love and Compassion you shewed to us in the mission field, particularly in your prayers and financial supports, I know that this labor you do with us in the Lord is not in Vain.

The Lord has been gracious this past few months, we are privileged to served and witnessed his blessing in our Vacation Bible School last month, there are more than two hundred children has been reach out by the gospel of our Lord Jesus Christ, we are blessed to teach and hand them a simple food and their response to the word of God, and we praise the Lord that many juniors who came from our VBS are now attending the church right after the program. We are now in a follow up program to reach the family of these children with the gospel of Christ.

As the word of God says, don't be weary in well doing, for due season we shall also reap if we faint not, it is a truly a blessing that more than a year and months of prayers and have series of bible studies, we witnessed these 9 new believers who decided to follow the Lord in water baptism. Please pray for their Spiritual Life and see them growing in the Faith and get involve in the ministry of the church.

Another exciting moment that give us joy and new experience despite of many challenges we face is in the new mission work that we started this year, we are experiencing difficulties in many form like transportation vehicle, but we thank the Lord for the heart of our youth volunteers who are working with me. We are conducting new bible studies, little by little the youth team has now establishing children centers in the area, and we are praying the two bible studies and attenders in this mission will decide to follow the Lord in baptism.

Please continue to pray for me and my family's health especially me and my wife as we are praying to his provision to our general check up and testing. Thank you very much and God continue to bless us all.
