## MINISTRY REPORT | JUNE 2024

"as for me and my house, we will serve the Lord."

Hello Pastor and church, how are you Sir? Hoping and always praying that everything is doing great with you there. Thank you for taking the time to read my ministry report letter I hope that it brings encouragement to you and your people.

### Youth Camp & Youth Rally

June is the start of the school break here in the Philippines, so we always grab this opportunity to set up various activities for our young people. Last June 17 to 20, our young people group attended the CFBC Summer Camp. This camp was filled with fun, our young people have enjoyed this very much. They were also challenged by the preaching of the Word in every session.

On June 21, we attended a Youth Rally spearheaded by the Hillside Bible Baptist Church lead by Pastor JB Tarwater an American Missionary. The main goal of this rally was to challenged the young people to surrender their lives for full time service, and I am very happy to share that during this rally one of my young men in the church have surrendered his life and enrolled in the Bible Institute. Since I only have 3 Bible Student, I decided to enrolled them to Pastor Tarwaters' Bible Institute and just help him with the teaching load.

Our church ministries also is at its best during this time of the year, because many young people are volunteering to teach children in our Camp Joy Ministry resulting to many children being reached for Christ. While we are still in the process of completing the worship hall at Camp Joy, we are holding the teaching sessions under the trees which I think was very enjoyable for the children. During sessions, we are not only feeding the kids but we make sure to teach them about out Jesus our Lord.

With regards to our regular ministries, we are still in the 'double time mode', we do the construction in the morning from 6AM to 12NN and do soul winning, street preaching in the afternoon and house churches in the evening.

Sir, again I would like to express my sincere gratitude for all your prayers and support to our ministry, it really means a lot to us.

### PRAYER REQUEST

- Good health for me and my wife, both of us are getting old.
- Funds for the completion of Camp Joy.
- To reach more children and young people through Camp Joy Ministry.

## MINISTRY REPORT | JULY 2024

"as for me and my house, we will serve the Lord."

Hello Pastor and church, its me again, Bro. Amor your missionary in Bataan, Philippines. How are you all? You are always in our prayers, specially today when it seems that the world is in turmoil. Can't wait to hear the trumpets call and I will be happy to see you all there.

July and August are rainy season here and we usually have typhoons and torrential rains during these months. It usually slows down our ministries a bit. One big problem during this season is flooding, years ago we have never experienced flooding in our location, but now for some reason, whenever it rained hard the roads in our present location will be flooded and that will cause a lot of inconvenience. Two weeks ago, because of a typhoon named 'CARINA', it rained for more than a week, and it caused terrible flooding, some of our members home were affected by a waist deep flood.

## Juniors Camp

In spite of all these, we tried our best to do the ministry. Before the typhoon we are still able to hold an overnight camping with the juniors in our church ages 10 to 13, this camp was very successful. We had around 55 campers and most of them made a profession of faith and seven (7) of them decided to follow the Lord in water baptism.

Because of the heavy rain, the work at camp joy was temporarily put to hold, but we continue to work indoor. We repaired our church pews and added six (6) more pews.

In spite of the bad weather condition, we still continue to teach children, do soul winning and home Bible studies. I thank the Lord that in spite of the heavy rain, we are still able to maintain good attendance on our church services.

### PRAYER REQUEST

- Good health for me and my wife, both of us are getting old.
- Funds for the completion of Camp Joy.
- To reach more children and young people through Camp Joy Ministry.
- Revival of our church.

Sir again, thank you so much for your life and concern, thank you for holding the rope for us. We truly appreciate it.

Yours in the Work of the Lord,  
Bro. Amor & Family

## MINISTRY REPORT | AUGUST 2024

"as for me and my house, we will serve the Lord."

Hello Pastor, how are you all there? We are always praying for you, your family and your ministry. August is still a rainy season here, despite the unpredictable weather we still had a very good month. The attendance in our Worship Services is really increasing. We have a lot of new young people as a result of our activities last summer. The spirit in our every services are awesome, we feel the working of the Holy Spirit in our midst, there is joy and excitement. I really feel that God is doing something in our midst.

## Stewardship Emphasis

Two key events have marked the month of August. The first is Stewardship Emphasis Sunday, a mini-conference held on the first Sunday of each month. During this event, we conducted two sessions that focuses in teaching about Biblical Stewardship.

I am filled with joy because although my people may not be wealthy they have committed themselves to the Lord in Giving. As a result our Tithes and Offering and even the Missions giving have increased this month. Glory to God!

The next event was our very success joint rally held last August 25, where five fellowshiping churches came to join us. We had over 150 attendees, and that afternoon was filled with fun, good fellowship and the moving of the Holy Spirit in our midst was very evident. One got saved and one of my young lady in our church surrendered her life to the Lord, which brought me immense joy.

## Youth Rally

I would like also to mention that we continue to give support to our local missionaries, in fact this month we decided to step up, we will now give ten (10) sacks of rice to ten (10) local missionary, we are happy to do this and praying that we can do more.

### PRAYER REQUEST

- Good health for me and my wife, both of us are getting old.
- Funds for the completion of Camp Joy.
- To reach more children and young people through Camp Joy Ministry.
- Revival of our church.

Again, we thank you for partnering with us in the ministry. We cannot do what we are doing without your partnership. We love you and we appreciate you very much.

Yours in the Work of the Lord,  
Bro. Amor & Family
