**DEAR PASTOR AND CHURCH,**

Greetings in the name of our Lord Jesus Christ!

Hello Pastor, just want to express my gratitude for allowing me to visit your church and for giving me the opportunity to share the ministries and present the needs of the church. Within just three months of my deputation, I have witnessed how God has abundantly blessed your country in so many ways. I am overjoyed to have met kind and inspiring pastors who have become my friends, as well as individual Christians whose faith and dedication encouraged me and became my partner in the ministry. As I returned home last December 5, 2024, I am filled with happiness, knowing that I will once again be reunited with my family and church members.

Please continue to pray for the completion of the amount intended for the church lot that we are raising amounting to **\$10,000**. We are so thankful for the two churches who donated **\$3,000** for this church lot. I humbly ask for your prayers that we can raise an additional **\$7,000** to complete the **\$10,000** needed to purchase the lot we have been praying for. This lot will be used to build Sunday school rooms for the children every Sunday.

Thank you, Pastor, for the love you have for missions and missionaries across the globe. We deeply appreciate your prayers and your promise of financial support for the work here in Kidapawan City, Mindanao, Philippines.
