

Dear pastor and brethren in the Lord,

Greetings in Christ's most precious name! This is your missionary from the Philippines, bro. Benson Olipas. I am very much thankful for your support and your unceasing prayers. I am sending pictures just to prove to you that we are doing the right thing for God, especially winning the losts for Him. We are also baptizing converts and you have all the parts for these. WE are praising God because of you.

Your missionary,

Bro Benson Olipas
