MARCH 2025**

Dear Pastor Jim Johnson and Heartbeat Intl.Mission office,

Greetings in Christ wonderful name and Savior!

God is doing great in our mission work and ministries.From the previous couple of months we were not able to maximize our activities especially children ministry due to rainy season and the public schools extended their classes in Saturday but this month back to normal. As usual we just have the same routine of ministries like Sunday morning services,picking up people from their homes,children mission outreach every Sunday afternoon in upper Magapit Lallo.Saturday afternoon children ministry in Alaguia Lallo.Friday evening prayer meeting.music ministry every Saturday @ 5pm young people and juniors.

On the otherhand,our Pastoral house is almost done roughly .the inside painted already but the outside not yet finish the plastering of cement and paintings.Next project is the kitchen and porch but no more funds.Waiting again the provision from God by using generous American Christian to help us finish the project.

Please pray for our youngest daughter who are presently studying in Bible College.She,s taking theology major in church music.It is my burden to start a bible school soon by 2026 or 2027.a lot of things to consider.our next project is to build a cabin for boys and build a function hall at the back of the worship building.

Pls. Pray our campus ministry ,time of difficult situation great changes of the administration and a lot of extra curricular activities done in public schools no more time to be given to us to teach the bible.

Pray for Philippines today ! political conflicts accelerated.I believed you are watching television news,also conflict in west Philippine sea. Great rallies happened among ex president Duterte supporters.trying to force our president to resign from his office.

How ever our advocacy is to keep on preaching the gospel of Jesus Christ which is the only solution to peace,unity and good freedom.espe freedom from the bondage of sin that only JESUS CHRIST is the hope and way to eternal life.we do not involve to any political conflicts except to pray with those in authorities to subject God,s will.God bless your ministry @ heartbeat and thank you so much.

IN HIS MINISTRY,

BRO. FREDELITO FARINAS AND FAMILY
