JANUARY-APRIL 2025 REPORT

Our Beloved Brethren in the Lord,

First of all, we happily greet you in the most precious name of our Savior Jesus Christ! We sincerely apologize for our late ministry report. The schedules and activities were just overwhelming recently, that's why. Please accept our humble apology.

We thank God Almighty for His goodness and faithfulness for the first 4 months of this year! We started with 2 baptisms in January and then the continuous improvement of our multi purpose gym project at Camp Hope. God also gave us opportunity to minister at 2 funerals and restore 1 children center in Caterman village. We're most grateful for souls won to the Lord during visitations, on our Sunday services and other occasions! We thank Him for using us continuously in His vineyard!

FEBRUARY-The highlight of this month was the Free Medical Mission which was done in our church in partnership with our brethren at Faith Bible Church in California together with some medical staff from various places here in the Philippines. We're so blessed to be one of their chosen beneficiaries since this kind of ministry is a big help to people of all ages. By God's grace, we were able to minister to 117 individuals.

We also had our yearly love banquet, one for our young people and one for the adults. Another gospel opportunity was given to us through a funeral service. We were able to witness 2 weddings of our church members and we praise the Lord for 4 first time visitors in 2 different Sunday services. We ended the month attending the 2nd Annual Conference of Heartbeat International Missions in Bulacan where we had the privilege of meeting and fellowshiping with fellow servants of the Lord from different parts of the Philippines and other countries too!

MARCH— Our highlight for this month is the Giving Conference and the dedication of the multi-purpose gym at Camp Hope in Launion. It's about 3 hours drive from Candon so it's very challenging to go back and forth to supervise the work there for the past 8 months. By God's amazing grace, we were able to use it for the first time during the final service of our Giving Conference! God is so good!!! There's still a lot to be done but we praise the Lord for his amazing provision, strength and protection!

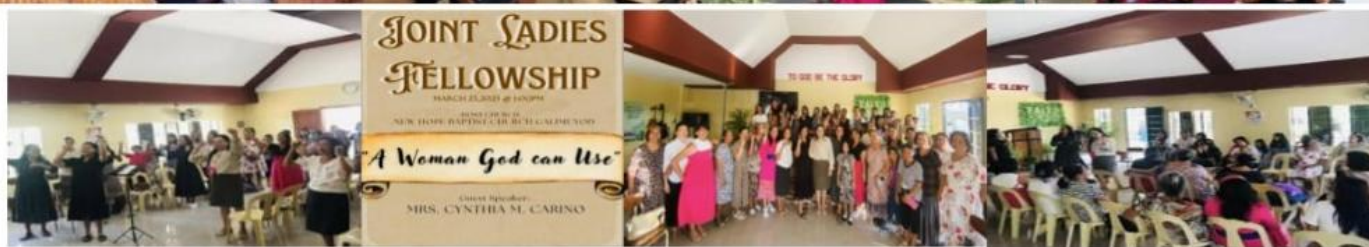

In the same month, my wife organized a joint ladies fellowship in celebration with women's month. It was held at our sister church in Galimuyod, about 20 minutes from us. They really enjoyed the fellowship and the teaching of God's precious Word. There were first time visitors too. We also rejoice for one first time visitor in our church and some returning visitors! To God be all the glory!

The Lord really worked at the conference! We're so thankful for the powerful and clear message through His servant. After the conference, we were able to raise fund for the basketball post, board and ring needed for the youth camp!

APRIL-Our Summer Youth Camp was the highlight of the month. There were almost 150 registered campers plus the pastors with wife and children, a total of almost 200. The multi-purpose gym was a huge blessing! The heat in our country is becoming unbearable so it was super helpful and beneficial! Our camp theme was "Youth Influencer". We pray that God will continue to work in the lives of each of these young people. We had 7 saved and 8 candidates for Bible school as a result. All glory to God alone!

We also praise God for 2 highschool visitors during one of our church prayer meetings. Sadly though, we had another funeral for the month and this time, it's a young man who used to be a sunday schooler and our very first church driver when we were pioneering. He died of cancer and many more complications. We held 2 services at their place and his final service was in our church. Please pray for God's comfort for his family and also for the continuous working of the Holy Spirit to the people who heard the gospel of the Lord Jesus Christ.

CAMP HOPE MULTI-PURPOSE GYM...

Please continue to include this project in your prayers. Our next step will be building a stage and finishing its floors. It will cost about \$6000.

WE WILL NEVER GET TIRED EXPRESSING OUR GRATITUDE TO YOU OUR DEAR BROTHERS AND SISTERS IN THE LORD! THANK YOU SO MUCH FOR YOUR FAITHFUL PRAYERS AND SUPPORT!!!!WE LOVE YOU AND PRAY FOR YOU AS WELL.

Prayer Requests:

- *Upcoming Vacation Bible School -God's provision especially for the kid's redemption store, we pray to be able to give school supplies(\$200) before school starts in June
- We're also praying to be able to buy a better and more dependable church vehicle since the one we are using is very old and always needs repairing. We saw a good one but it costs \$7,000. Please help us pray for God's provision for it. It will be very helpful in God's ministry!
- *Spiritual growth and maturity of church members
- *Good health for my family

WE THANK YOU FROM THE BOTTOM OF OUR HEARTS!

In Christ,
