Dear Brother And Sister In Christ,

I hope this letter finds you well and in good spirits. I want to share with you about the ministry and the work we are doing here in the Philippines. First, I want to thank the Lord for the successful operation that I had. Last March 4, they had to remove a cyst from my back, about half the size of a ping pong ball, but God has been good. I am fully recovered now.

On February 28, we held our annual HeartBEAT Mission Conference, and it was a success by the grace of God. Many pastors from different provinces of the Philippines came, and our ministry was given the opportunity to render a song, Behold the Lamb.

The third week of March was a blessing because we were able to do campus ministry in different high schools in the town of Abucay. On March 17, we visited three high school campuses and were able to share the Word of God with 940 students.

On March 18, we went to Balanga City to do another campus ministry. We visited Balanga Elementary School and High School, where there were nearly 2,400 students, and in senior high, about 300 students. We were given the opportunity to minister to them. Lastly, in Porac, Pampanga High School, we shared the Gospel with 450 Grade 7 students.
