YOUR NATIONAL MISSIONARIES TO THE
PHILIPPINES

28 November 2024

Dear Prayer Partners and Supporters,

Greetings in the name of our Lord Jesus Christ,

Happy Thanksgiving to all.

It is with great thanksgiving to the Lord for His answered prayers and continuous guidance and blessings upon us.

We are currently here in the United States and had the privilege to once more meet some of you and do hope to see the others as well. We have been blessed going around churches and being able to share our burdens, growing ministries, prayers, and thanksgiving to you all.

While here in the U.S. my son Haniel is incharge of the Ministry in the Philippines and here are the current updates since we left almost 2 months ago:

Empowered Ministries: The Church continues to be steadfast in its ministries, weekly Soulwinning are made where we currently have 28 volunteers going out every Saturday to invite, share the gospel, conduct bible studies, teach children and conduct feeding in our centers. We have 12 candidates for baptism scheduled to be baptized this December together with weekly attendees that we are also starting to disciple.

The Church is conducting a monthly Feeding to feed more than 150 children across our centers. Each month 1 family is incharge to cooking for these centers but we still have weekly snacks per center. We are also opening a new Children Center in another barangay this December together with a new outreach potential for more soul winning and bible studies.

Fellowships are also being reinforced having a separate group for Young People, Adult Ladies and Adult Men. Each group conducts fellowships to strengthen the unity and encourage one another in the Church.

Sent Out Churches Update:

Haniel's Ministry - Go Ye Baptist Mission (Church)

Until now we are still to find a new worship place for Haniel, especially since weekly they are packing the place of having 30+ attendees already making their place too humid, but they still press on even in these conditions. The Church he is handling will celebrate their 5th Year Mission Anniversary this Sunday December 1. Haniel had a local deputation for atleast 6 months and has raised \$3,000 in which half of it was promised and still awaiting the arrival of the commitment out of the \$25,000 they are raising for a 172 sq meter lot together with a building construction of about \$60,000. Please continue to pray for their ministry. Haniel and his wife are also praying to visit here in the US this coming February. They have an interview in the US Embassy in the Philippines this January 6, please pray for their passing and provision for their preparations.

Bro. Jayson's Ministry - True Light Baptist Mission (Church)

Continue to pray for the new planted Church in Piela handled by Bro. Jayson, they continue in the ministry having rented a \$60 place for Worship every Saturday and Sunday Afternoon. His current need is to be able to rent a more spacious place and monthly support to help his family as well in the ministry and in their needs.

With these in mind we are raising \$500 for the Missionaries we send out from Church. Your support will be able to help 2 other churches here in the Philippines and by God's grace increase more as the years pass by.

Thanksgiving and Prayer

We give thanks for your continuous support, love, and prayers for our family and the Ministry God has entrusted us throughout the years. We are grateful for your understanding specially right now in our transition to a new Mission Board led by Ptr Alex Raducz of Bible Baptist Church Horseheads NY as you can see in our new prayer Card below.

Please continue to pray for our stay here in the U.S. until February, for God's provision and guidance upon us while here. For us to be a blessing to the Churches we go to.

With Love and Grace,
Bro. Oliver and Sis. Raquel
