

May 2025

Dear Faithful Partners and Friends in the Ministry,

Greetings from the Landingin family and from the mission field of Cambodia.

First of all, we would like to express our gratitude and with the thankful heart for all your love, prayers and support toward the mission work here in Cambodia. Through your prayers, we are encouraged and strengthened to continue the mission work and through your giving and support, the needs are being met.

This year is a very special year for our family, as we celebrate our 15th year being a church planting missionaries in Cambodia and this coming 18th of May, Grace Baptist Church Phnom Penh and Ministries is celebrating its 15th Year Church Anniversary with the theme of **“We Preach CHRIST!”**

Please pray for this special event as we look back 15 years ago where God called us, sustained us, blessed us and helped us through all circumstances and we are looking forward for the next 15 years of evangelizing the lost, edifying the saints and continue to exalt our savior Jesus Christ through our lives.

We are also committed to continue the church planting ministry in Cambodia and even to our neighboring Southeast Asian countries.

As you know, early of 2024, we sent out our second Cambodian family to start a new church plant in Kampong Cham province, two hours away northeast of the capital city of Phnom Penh.

While working and ministering to our 4th church plant in Prosar village in the province of Kampong Cham, not too far from our new mission work is another village called Komoha village which is 20 minutes away.

There are atleast 20 believers in Komoha village that praying for a Pastor or a Missionary that will lead them. We went to Komoha village and talked to the group of believers and prayed for their needs. After praying for months, the Lord impressed in our hearts to help these people and start our 5th church plant at the same year.

Every Sunday, from 6:00 in the morning, we start at Grace Baptist Church Kandal province (our 3rd church plant) for our first morning church and then from 9:00am, we travel for 30 minutes going back to the city church Grace Baptist Church Phnom Penh and start our second service from 10:00am to 11:30am. Together with our mission team, we leave from our city church around 12:30 in the afternoon after eating lunch and travel for two hours going to our 4th church plant at Grace Baptist Church Prosar village and start at 3:00pm to 4:00pm.

FIELD MAILING ADDRESS: GRACE BAPTIST CHURCH ♦ P.O. BOX 1616 PHNOM PENH, CAMBODIA

After our first stop in Sunday afternoon, we travel again for 20 minutes going to our 5th church plant which is in Komoha village and start from 4:30pm to 5:30pm and then we travel for another 2 hours back to Phnom Penh to finish our full Sunday ministry.

Every week, we minister to 60 adults and 200 children in four different places.

Grace Baptist Church and Ministries Cambodia

We need your prayers for God's protection to our every week trip and continuous support and God's provision for all the ministerial needs here in Cambodia. Thank you so much for everything.

We praise the Lord for all who trusted Christ and made their public profession of faith. We are encouraged to see and to witness individuals in committing and dedicating their lives in serving Christ.

Last January, we started a new ministry called the Children Feeding Ministry in our village church. We feed 70 children in our fellowship hall every Sunday morning before starting our morning church. We are thankful to all who support this ministry and help us feed these children.

If you would like to be a part in helping us feed these children, any amount of donations in a monthly basis would be a great addition to our monthly budget as the number of children continues to grow.

As we continue to move forward, last January of this year, we purchased a piece of property for our 4th church plant.

After waiting for three months of processing the land title transfer to our ownership, just this week, we finally received the land title in full ownership. These 816 square meters (8800 square feet) piece of property is now officially the permanent place for our 4th church plant of Grace Baptist Church Prosar Village.

Please help us to pray as we desire to start the church building construction anytime soon and Lord willing, we can be able to finish the building construction before the end of this year.

The need is still great. If you would like to give donations to help us purchase building materials, this would be a great blessing to us or help us to buy church chairs, tables, a sound system, pulpit, electric fans and other little things.

Thank you so much for your love for the Lord and for your love for missions. We are thankful to your partnership in the gospel ministry, and we appreciate you all. Please continue to pray for us and we always remember you all in our prayers.

Together We Serve,
Brother Francis Landingin and Family
