

JOSHUA AND ZYRA TAMAYO

MISSIONARY TO PANGASINAN, PHILIPPINES

Greetings, Church family and Pastor!

You all are always in our prayers, and we hope that everyone is doing well. We also just want to let you know that we are doing good and keep following God's leading to us as a missionary.

We thank the Lord for using us to spread out the Gospel not only in the Philippines but also while we are here in the United States through tract distribution. We know that God is moving every time we are sharing the good news. We are also excited to share the success of our home church by hosting a youth camp. I believe that there were one hundred and sixty youth that joined that event. A lot of visitors also joined and heard the Gospel. We thanked the Lord for letting us be a part of it in some ways. We just want to let you know that through your prayers and financial support to us, you also became a part of the success of this event, especially for those souls that got saved and surrendered their lives to the full-time ministry. It really has a big impact on the youth, and that's why we need your prayers.

As we give you an update about our deputation, we are so excited to share God's faithfulness and goodness to us. God gave us additional churches and individuals to be our partners in the ministry. We are currently at 43% of our goal for monthly support and only praying for \$8,000 more to complete the fund for the church van. If God is willing, we are praying to extend our visa until September because it will be a big help to us on deputation, and whether we reach our goal or not until September, we are still going back to the mission field in the Philippines and following our calling to God. We are really excited to be back there and be an encouragement to the people in Pangasinan, Philippines. We always need your prayers, so please keep praying for us as we travel and raise support from different churches and individuals.

We want to thank you again for your unwavering love, prayers, and financial support. We sincerely appreciate these and assure you that you will all always be in our prayers. I pray that the Lord would continue to meet all of your needs and use you as encouragement for the church.

May God bless you all abundantly!
