Dear Pastor and Church;

Hello Brethren in the Lord Jesus Christ , greetings from the Philippines.

Here am I again to say Thank you so much for your amazing love, support and prayers, deeply in my heart praising God. This summer we do VBS and thank God for the 16 children receiving the Lord Jesus Christ. Continue pray for our children ministry. We also have Youth camp and many young people got saved, and decided to go in bible school. Brethren continue pray for me that God use me in the place He put me in, and be always as instruments by God to provide our needs. Thank you and God bless.
