DEAR PASTOR AND PRAYING FRIENDS,

Greetings in the name of our Lord Jesus Christ!

In Matthew 24:7 For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pestilences, and earthquakes, in divers places. This verse came to my mind when Thailand was hit by a 7.7 magnitude earthquake last March 28. There were buildings that were destroyed in Bangkok and many died, as well as in Myanmar; but by the grace of God my family and members were safe even though we were only 30 miles from Bangkok.

MONTH OF APRIL

This event made us more on fire for the Lord and we continually became more aggressive in winning souls for Christ. God spoke to me to start a 3-day Soul Winning and Discipleship conference on April 25-27 to challenge our members to be aggressive in winning souls and at the same time teach them to observe all things. I invited my good friend Pastor Jomhong Attitarn, a Thai Pastor, to preach for us. We have a preaching and soulwinning clinic. Every afternoon, we went out together to share the Gospel with different villages of Chonburi city. We have about 200 professions of faith and by the grace of God, we reached our goal to teach and to put a burden on the heart of believers to reach out to the souls of men.

This will be a yearly thing in our church and praying that we will be a great influence on the churches in Thailand to win more souls for Christ. We also recognized some of our Thai members who became a great soul winner for the past year.

MONTH OF MAY

On May 10 we had a visiting Missionary from the Philippines Brother Ian Vincent and his family came and preached for us. We had a good time with the Lord and a good fellowship with his family because his wife was in my youth group when I was a youth Pastor back in the Philippines. We are thankful unto the Lord for all the laborers in the Field.

Last May 18, we were able to evangelize 110 children and some adults by gift-giving to the residents of Municipality Khlong Tamru. We are thankful for the Samaritan Purse that our church became the recipient of gift boxes that were used as instruments to get the Gospel out. The mayor of the Municipality allowed us to use their gym to do our activities. I thank the Lord for the opportunity because this was my first time to come to this place.

MONTH OF JUNE

One of our Members Christopher Kharki was burdened by God to surrender his life to reach out to the Burmese Nepalis people. They are people who reside on the border of India and Myanmar; because of the Civil War in Myanmar, they became migrant workers in Thailand about 300,000 to 500,000 people are estimated that reside in Thailand right now. Most of them are working in Pattaya, the Sin City of Thailand because of job opportunities. Last June 1, We started to gather them to preach the Word of God to them. They are very receptive to the Gospel and we are asking your prayers that we can find a place to rent so that we can start the Ministry fully to them. God is so good by opening different Nationalities to reach out for the Gospel.

Last June 11, 2025, we were privileged again to conduct a medical mission in the Municipality of Khlong Tamru, Chonburi. We thank the Lord for this open door that even their Mayor and Municipality staff helped to organize this medical mission. Our medical team ministers to 79 Thai Patients and 64 Thai Nationals put their faith in our Lord and Savior Jesus Christ. I thank the Lord for all the members who volunteer to make this possible and all the soul winners who share the gospel with every patient. To God be an all the Glory.

Once again thank you very much for partnering with us in prayers and in your financial support.
