UPDATED LETTER FOR JUNE 2025

Dear Loving Partner in the Ministry,

Grace and peace to you from God our Father and the Lord Jesus Christ. We continue to witness His abundant faithfulness, and our hearts are filled with awe at how He moves in both the ordinary and extraordinary moments of ministry.

Thank you once again for your unwavering heart for missions. Your continued partnership, Pastor, and the support extended by your church are deeply treasured.

Allow me to share some updates from the month of June here in La Trinidad, Benguet, Philippines. Truly, God has been working in our midst, and we are blessed to be His instruments.

In the month of May, we held our **Vacation Bible School**, and by God's grace, we were able to teach **24 children**. These young hearts listened intently to the Word of God, and we believe seeds of faith have been planted. We praise God for the mothers in our church who volunteered to prepare and provide food for the children each day. Their willingness to serve added a great deal of warmth and love to the program.

We also celebrated **Mother's Day** by honoring **eight wonderful mothers** in our church with a simple token of appreciation. It was a special moment of recognition and encouragement for these women, reminding them of their value and significance, not just in their families but also in the ministry.

In preparation for the upcoming school year, we were able to **distribute free school supplies to 20 children** in the community. This small gesture brought joy to many families and served as a reminder that the Lord sees and provides for every need.

We would also like to share a **personal update**: By God's grace, we are preparing for our **wedding this coming September**. We are praying and trusting God for every detail, and we are doing our best to save diligently. **Our faith goal is to raise \$5,000**, and we are committed to stewarding every

resource wisely as we work toward achieving this. We humbly ask for your prayers for provision and favor as we step into this new season.

If the Lord is leading you and you are willing to help with our wedding expenses, we would receive it with hearts full of gratitude. Your support—whether in prayer or in giving—means the world to us.

These moments, though simple, speak volumes about how the Lord is building His Kingdom—one seed at a time. As we look forward to what's ahead, we continue to trust God for more opportunities and provision to reach more lives.

As we continue serving the Lord and carry the responsibility over this work, we are praying for an increase in our monthly financial support so we can do more for the ministry of our Lord Jesus Christ.

And as we keep sharing the Good News in this place, we humbly ask for your continued prayers as we walk with the Lord in every single part of our lives. Thank you so much once again—little by little, our goals and vision are becoming a reality. We will never stop proclaiming God's Word until we reach our goal: to bring the Gospel to every person here in La Trinidad, Benguet, Philippines.
