Dear Pastor, Church and Friends,

Greetings in the Most Precious Name of our Lord and Savior Jesus Christ, To Him be all the Glory. In behalf of Bethel Independent Baptist Church, once again, I would like to give my deepest thanks for your prayers and partnership with us here in the Philippines thru your financial support, our hearts are grateful for every help you are extending so we can go further in the ministry to fulfill his mandate.

As our dry season ended last month, we give him the highest praise for the opportunity God has given, for he has blessed and enabled us to minister the gospel of Christ to the children and with their love ones who attended in our Vacation Bible School last month, this were approximately three hundred and fifty participated the program from our outreaches and missions who professed on the Lord, accepting him as their personal Savior, we are thankful by the smile and good response of these children with the parents that we had met in their respective places as the grace of the Lord intercedes.

Another blessing from God that he has answered our prayers to the new missions work, we were able to open up this program also in their place, this is the first time we conducted this program, a little challenging but God thru his grace, met the needs of our VBS in the missions, we have more than fifty student who attended, And a door open for us to conduct campus ministry in one of the Public School in our area.

We coveted your prayers for us as our vision is clear with in us from these program, this is not just to reach the children to the Lord but to use this as a gateway of the gospel for their families, as we see that some parents were made an interest to visit them in their home, as we are working it out, and the provision of the Lord for the children's evangelism, discipleship and feeding programs.

Include us in your prayers as we are also praying and preparing for our revival and evangelistic meeting this coming end of July, may the heart of our people once again refresh the commitment and dedication in serving our Savoir Jesus, and a Baptism service for the new converts in our church

And last for our special needs, provision in our need of transportation vehicle for the church, we are praying for \$8000, this is the price of the Van we look for, an eighteen seaters capacity, we trust the Lord by this year he will provide the funds needed. As God bless and give us opportunity, I'm praying for YOU to be a part in some way for this ministry project. As the word of the Lord stated;

Where there is no vision the people perish. Proverbs 29:18. Thank you very much for being a part in his vineyards, May the grace of our Lord God be with us all.
